

Dear Miss Harada

May 23 1943

Just to remind you one year to day  
you all left Riverside not knowing  
the future and dont know yet and  
we all have to make the best of things  
as they come Summer is just around the  
Corner here and some days are pretty warm  
now and the town is always full of  
soldiers and was good to <sup>hear</sup> that you were  
well and healthy as I am well and healthy

Sincerely yours  
Jess Stebler
