* The State of California has ended the In-Lieu Vehicle License Fee (VLF) Program which made payments to local agencies. The State’s new VLF distribution program which began July 1, 2011, has significantly reduced the portion of VLF allocated so that it is no longer a material source of revenue for the City. The General Fund budgetary impact for the loss of the VLF revenues has been addressed in a previous fiscal year and is no longer a concern. With the termination of the In-Lieu VLF program, the City is no longer able to update this table. (For further information on the new VLF distribution program please see the California Revenue and Taxation Code beginning with section 11001.5.)
