THE BELOW DISCLOSURE INFORMATION HAS PREVIOUSLY BEEN PROVIDED

- **Actions relative to the bonds:**

  (1) – On April 28, 2011, the City of Riverside defeased the 2008 Refunding Electric Revenue Bonds, Series B with the 2011 Refunding Electric Revenue Bonds, Series A. On May 2, 2011, the 2008 Refunding Electric Revenue Bonds, Series B will be redeemed.

  (2) – On July 25, 2013 the City of Riverside defeased a portion of the 2008 Refunding Electric Revenue Bonds, Series A and Series C for $13,975,000 and $11,775,000 respectively, for redemption on September 3, 2013.

- **Actions taken relative to the rating on the bonds:**

  (1) – On January 29, 2010, Standard & Poor’s decreased its long-term rating from “AA-/A-1” to “A+/A-1” and changed the outlook from stable to not meaningful. This change is a reflection of the credit quality of the financial institution that provided the letter of credit (LOC) in support of the bond issue.

  (2) - On February 5, 2010, Standard & Poor’s withdrew its underlying rating (SPUR) on the bonds “as a result of a review of bond documents, and a subsequent determination that they are not eligible for joint-support criteria due to structural considerations. The rating reflects the credit quality of the financial institution providing the letter of credit (LOC) in support of the bond issue.” The Electric System maintains an “AA-” rating from Standard and Poor’s.
• Actions taken relative to Bank of America N.A.’s (B of A) rating:
