### CURRENT SITUATION

*(Recent updates are posted at the top of Current Situation)*

Update - The fire extended to both floors of the house and into the attic area. It was a difficult fire fight as the house had hoarder conditions and was bordered up. The floors and rooms had approximately three to four feet of various items stacked throughout the residents. Fire crews worked through the night and into the morning hours to mop and overhaul the house. The house will be tuned over to Riverside Code Enforcement when fire is completed.
