

The background of the entire page is a soft-focus impressionist painting. It depicts a landscape with a body of water in the foreground, possibly a river or a bay, reflecting light. The colors are muted and blended, typical of the Impressionist style, with shades of blue, green, and brown. The brushstrokes are visible, creating a textured, painterly effect. The overall mood is serene and atmospheric.

# **Teen Program**

## **at the Orange Terrace Branch Library**

**“Trust your Eyes! California Impressionists’ use of Color in Water**

**After pointing out the diversity of colors used by California Impressionist painters to depict the natural phenomena of light refraction and reflection on water, UCR’s Gluck fellow Diana Navarrete will give attendees the opportunity to create their own original artwork using pastels.**
