Section 1.01.110 Penalties for violations.

A. It is unlawful for any person to violate any provision or to fail to comply with any of the requirements or provisions of this Code heretofore or hereafter enacted or the provisions of any code adopted by reference by this Code. Any person violating any of such provisions or failing to comply with any of the mandatory requirements of this Code, shall be guilty of a misdemeanor, unless such violation or failure to comply is specifically declared to be an infraction by other provisions of this Code. Notwithstanding any other provisions of this Code, any such violation constituting a misdemeanor may, in the discretion of the City Attorney, be charged and prosecuted as an infraction. Notwithstanding this Section and as an alternative to criminal prosecution, all violations of this Code are subject to the administrative code enforcement remedies set forth at Chapter 1.17 and any other administrative proceeding now or hereafter authorized under this Code.

B. Any person convicted of an infraction under the provisions of this Code, or any code adopted by reference by this Code, shall be punished by a fine not exceeding two hundred-fifty dollars.

C. Any person convicted of a misdemeanor shall be punished by a fine of not more than one thousand dollars, or by imprisonment in the County jail for a period not exceeding six months, or by both such fine and imprisonment.

D. Each such person shall be guilty of a separate offense for each and every day during any portion of which any violation of or failure to comply with any provision of this Code, or the provisions of any code adopted by reference by this Code, is committed, continued or permitted by such person and shall be punishable accordingly.

E. In addition to the penalties provided by this Section or elsewhere in this Code, or in any code adopted by reference by this Code, any condition caused or permitted to exist in violation of any of the provisions of this Code, or the provisions of any code adopted by reference by this Code, shall be deemed a public nuisance and may be abated by the City, and each day such condition continues shall be regarded as a new and separate offense.

F. In any civil action commenced by the City to abate a nuisance, to enjoin a violation of any provision of this Code or any provision of any code adopted by reference by this Code, to collect a civil penalty imposed either by this Code or by State or federal law, or to collect a civil debt owing to the City, the prevailing party shall be entitled to recover in any such action reasonable attorneys’ fees and costs of suit. Pursuant to Government Code section 38773.5(b), the recovery of attorneys’ fees by the prevailing party is limited to individual actions or proceedings in which the City elects, at the initiation of that individual action or proceeding, to seek recovery of its own attorneys’ fee. In no action or special proceeding shall an award of attorneys’ fees to a prevailing party exceed the amount of reasonable attorneys’ fees incurred by the City in the action or proceeding.

G. Any person who violates any provision or fails to comply with any requirement or provision of this Code heretofore or hereafter enacted or any provision of any code adopted by reference by this Code shall be liable for a civil penalty not to exceed one thousand dollars for each violation. Where the conduct constituting a violation is of a continuing nature, each day of such conduct is a separate and distinct violation. In determining the amount of the civil penalty, the court shall consider all relevant circumstances, including, but not limited to, the extent of harm caused by the conduct constituting a violation, the nature and persistence of such conduct, the length of time over which the conduct occurred, the assets, liabilities and net worth of the person, whether corporate or individual, and any corrective action taken by the defendant. The civil penalty prescribed by this subsection shall be assessed and recovered and a civil
action brought by the City Attorney in any court of competent jurisdiction. The civil penalty prescribed by this subsection may be sought in addition to injunctive relief, specific performance or any other remedy, provided, however, that a civil penalty shall not be sought for any violation for which a criminal prosecution has been commenced.

H. A violation of any section of this Code which is punishable as an infraction shall be charged and prosecuted as an infraction, provided that for the second or any additional violation of said section within a one year period, the City Attorney at his or her discretion may charge and prosecute the matter as a misdemeanor. (Ord. 7182 § 1, 2012; Ord. 6872 § 1, 2006; Ord. 6349 § 1, 2, 3, 1997; Ord. 6220 § 1, 1995; Ord. 5258 § 1, 1985; Prior code § 1.8)

Design-Build also includes projects where in addition to design and construction, other services may be furnished by the Design-Build Entity including, but not limited to, soil/materials testing and soil remediation.

"Design-Build Contract" means a contract between the City and a Design-Build Entity to furnish the architecture, engineering, and related services as required for a given Public Works Project, and to furnish the labor, materials and other construction services for the same project. Section 1.07.060 Prequalification

The Using Agency may establish a prequalification process for Design-Build Entities on a project by project basis, that specifies the prequalification criteria, standardized questionnaire and the manner in which the Design-Build Entities will be selected. (Ord. 6830 § 1, 2005)

Section 1.07.070 Prequalification Criteria

Pre-qualification may be limited to consideration of all or any of the following criteria supplied by a Design-Build Entity:

(a) Submission of documentation establishing that Design-Build Entity entering into the Design-Build Contract is a licensed contractor (Class A, B, or C, as specified in the RFP) and holds an architect and engineering license or subcontracts that license.

(b) Submission of documentation establishing that the Design-Build Entity or its Members have completed projects of similar size, scope, structure or building type, or complexity, and that proposed key personnel have sufficient experience and training to competently manage and complete the design and construction of the Design-Build Public Works Project.

(c) Submission of a proposed project management plan establishing that the Design-Build Entity has the experience, competence, and capacity needed to effectively complete the Design-Build Public Works Project on schedule.

(d) Submission of documentation establishing that the Design-Build Entity has the capacity to obtain all required payment and performance bonding, liability insurance, and errors and omissions insurance, as well as a financial statement assuring the City that the Design-Build Entity has the capacity to complete the Design-Build Public Works Project.

(e) Provision of a declaration that neither the Design-Build Entity, nor any Design-Build Entity Member, under its current or former name, has had a surety company complete any project within the past 5 years.

(f) Provision of a declaration providing detail for the past five years concerning all of the following:
(1) Civil or criminal violations of the Occupational Safety and Health Act against any Design-Build Entity Member.
(2) Civil or criminal violations of the Contractors' State License Law against any Design-Build Entity Member.
(3) Conviction of any Design-Build Entity Member for submitting a false or fraudulent claim to a public agency.
(4) Civil or criminal violations of federal or state law governing the payment of wages, benefits, or personal income tax withholding, or of Federal Insurance Contribution Act (FICA) withholding requirements, state disability insurance withholding requirements, or unemployment insurance payment requirements against any Design-Build Entity Member. For purposes of this subsection, only violations by any Design-Build Entity Member, as an employer, shall be deemed applicable, unless it is shown that the Design-Build Entity Member in his or her capacity as an employer, had knowledge of a subcontractor's violation or failed to comply with the conditions set forth in Section 1775(b) of the State Labor Code.
(5) Civil or criminal violations of federal or state law against any Design-Build Entity Member governing equal opportunity employment, contracting or subcontracting.

Section 1.07.080 False Declaration Unlawful
The information concerning the Design-Build Entity's qualifications and experience shall be verified under oath by the Design-Build Entity and its Members. It is unlawful to submit any declaration under this Chapter containing any material matter that is false. (Ord. 6830 § 1, 2005)

Section 1.07.090 Withdrawal of Proposals
Proposals may be withdrawn by written notice to the Using Agency for any reason at any time prior to the deadline set forth in the RFP and the proposal guarantee for the Proposal shall be returned. Timely withdrawal of a Proposal shall not prejudice the right of a Design-Build Entity to timely file a new Proposal. (Ord. 6830 § 1, 2005)

Section 1.07.100 Proposal Security
All Proposals shall be accompanied by a cashier's check or certified check made payable to the City of Riverside, or a bidder's bond executed by a surety admitted to engage in such business in the State of California, for an amount equal to 10% of the amount of the Proposal and no Proposal shall be considered unless such proposal guarantee is properly enclosed therewith. The proposal guarantee shall be forfeited if the Proposal is withdrawn beyond the deadline set forth in the RFP, or if the Proposal is accepted but the Design-Build Entity fails to execute the Design-Build Contract. (Ord. 6830 § 1, 2005)

Section 1.07.110 Review and Evaluation of Proposals
Once received, Proposals shall be submitted to the performance criteria developer prior to review by the selection committee, as defined below. Clarifications may be required to ensure Proposals are responsive to the RFP. Clarifications may require revised cost and/or technical proposals. No Proposal shall be considered if the performance criteria developer confirms that the Proposal is not consistent with the information required by the Request for Proposals. Proposals will be opened in confidence. Adequate precautions shall be taken to
treat each proposer fairly and to insure that information gleaned from competing proposals is not disclosed to other proposers. Prices and other information concerning the Proposals shall not be disclosed until a recommendation for award is made to the Awarding Authority. All Proposals received shall become a matter of public record and shall be regarded as public, with the exception of those elements of each Proposal which are identified by a proposer as business trade secrets and plainly marked "Trade Secret", "Confidential" or "Proprietary". If disclosure is required or permitted under the California Public Records Act or otherwise by law, the City shall in no way be liable or responsible for the disclosure of any such records or any part thereof. (Ord. 6830 § 1, 2005)

Section 1.07.120 Selection Committee

The Using Agency may appoint a selection committee to review and rank the Proposals of the Design-Build Entities. The selection committee shall use the evaluation criteria set forth in this Chapter and the applicable Request for Proposals in its review of the Proposals. The composition of the committee shall be within the discretion of the Using Agency and may include, but not be limited to: members of the City Council, members of department administration or staff, the performance criteria developer, any person having special expertise relevant to selection of a Design-Build Entity (design or construction experience) and residents of the community. (Ord. 6830 § 1, 2005)

Section 1.07.130 Selection Method

The following method shall be utilized in selecting a Design-Build Entity for award of a Design-Build Contract:

(a) Criteria utilized may include, but not be limited to:
(2) An evaluation of references provided with respect to responsiveness, quality of work, timeliness and overall performance.
(3) An evaluation of the Design-Build Entity Members' experience, training and qualifications.
(4) Consideration of items such as proposed design approach, initial and/or life cycle costs, project features, quality, capacity, schedule, and operational and functional performance of the facility.
(6) Analysis of the cost relative to the Design-Build Entity's ability to meet the Performance Criteria and other requirements set forth in the Request for Proposals.
(7) Whether the cost as provided in the Proposal is guaranteed firm, evidenced in writing and signed by an authorized representative of the Design-Build Entity.

(b) Depending on the number of Proposals received, the Using Agency or the Selection Committee may develop a "short list" of top ranked Design-Build Entities.
(c) The Using Agency or Selection Committee may require "short listed" Design-Build Entities to submit to an interview and/or make a presentation to establish a final ranking.
(d) The Using Agency or Selection Committee will then begin negotiations with the top ranked Design-Build Entity. The negotiations may include but not be limited to project costs, scope, and schedule. If negotiations are unsuccessful, negotiations will cease with the top ranked Design-Build Entity and may begin with the next highest ranked Design-Build Entity.
(e) Award shall be made by the Awarding Authority to the Design-Build Entity whose Proposal is judged as providing the Best Value to the City while meeting the objectives of the Design-Build Public Works Project. (Ord. 6830 § 1, 2005)
Section 1.07.140 Approval of Design-Build Contracts
All Design-Build Contracts shall be approved as to form by the City Attorney. (Ord. 6830 § 1, 2005)

Section 1.07.150 Change Orders
Change Orders to Design-Build Contracts shall be subject to the limits and requirements set forth in the City’s Purchasing Resolution, as amended from time to time. (Ord. 6830 § 1, 2005)

Section 1.07.160 Retention
If the Awarding Entity awards a Design-Build Contract, retention of 10% shall be withheld from progress payments, subject to the City’s right, in its sole discretion, to reduce retention to 5% and to permit progress payments for design services to be made without withholding retention. (Ord. 6830 § 1, 2005)

Section 1.07.170 Right to Reject Proposals
Nothing in this Chapter shall require the City to accept any Proposal and the City hereby reserves the right to reject any and all Proposals. City assumes no responsibility for the costs incurred by any Design-Build Entity in preparation of any Proposal. (Ord. 6830 § 1, 2005)

Section 1.07.180 Subcontractor Listing
The City recognizes that the Design-Build Entity is charged with performing both design and construction. Due to the fact that a Design-Build Contract may be awarded prior to completion of the design, it is often impractical for the Design-Build Entity to list all subcontractors at the time of award.

(a) It is the intent of the City to establish a clear process for the selection and award of subcontracts entered into pursuant to this Chapter in a manner that retains protection for subcontractors while enabling Design-Build Public Works Projects to be administered in an efficient manner.

(b) All of the following requirements shall apply to subcontractors, licensed by the State of California, that are employed on a Design-Build Public Works Project undertaken pursuant to this Chapter.

(1) The Using Agency in each Request for Proposals shall specify the essential design disciplines, construction trades or types of subcontractors that must be listed by the Design-Build Entity in the Proposal.

(2) Subcontractors not listed in the Proposal shall be awarded subcontracts by the Design-Build Entity in accordance with a bidding process set forth in the Request for Proposals. The Design-Build Entity shall furnish to City documentation verifying that all subcontractors not listed at the time of award were subsequently awarded subcontracts in accordance with the process set forth in the Request for Proposals. All subcontractors that are listed in the Proposal or subsequently awarded subcontracts shall be afforded the protection of all applicable laws. (Ord. 6830 § 1, 2005)

Section 1.07.190 Indemnification
The Design-Build Contract shall include a provision that requires the Design-Build Entity to defend, indemnify and hold harmless the City and its officers, employees and agents from liability arising from the acts of the Design-Build Entity Members in connection with the performance of the Design-Build Contract. (Ord. 6830 § 1, 2005)
Section 1.07.200 Purchasing Resolution
   To the extent not inconsistent with this Chapter 1.07, the provisions of the City's Purchasing Resolution, as amended from time to time, shall apply to all Design-Build Public Works Projects. (Ord. 6830 § 1, 2005)

Section 1.07.210 Severability and Effect
   The provisions of this Ordinance are severable. If a court determines that a word, phrase, clause, sentence, paragraph, subsection, section, or other provision is invalid or that the application of any part of the provision to any person or circumstance is invalid, the remaining provisions and the application of those provisions to other persons or circumstances are not affected by that decision. (Ord. 6830 § 1, 2005)

1.08.030 When warrant for arrest issued.
1.08.040 Forfeiture of bail.
1.08.050 Filing of complaint.

Section 1.08.010 Contents of written notice.
If any person is arrested for a violation of any of the provisions of this code or other ordinance of the City and such person is not immediately taken before a magistrate as prescribed in the Penal Code of this State, the arresting officer shall prepare, in duplicate, a written notice to appear in court, containing the name and address of such person, the offense charged and the time and place when and where such person shall appear in court. (Prior code § 1.10)

Section 1.08.020 Violation of promise to appear.
No person shall willfully violate his written promise to appear in court, regardless of the disposition of the charge upon which he was originally arrested. (Prior code § 1.11)

Section 1.08.030 When warrant for arrest issued.
When a person signs a written promise to appear at the time and place specified in the written promise to appear and has not posted bail as provided in Section 853.1 of the Penal Code of this State, the magistrate shall issue and have delivered for execution a warrant for his arrest within twenty days after his failure to appear as promised or, if such person promises to appear before an officer authorized to accept bail other than a magistrate and fails to do so on or before the date which he promises to appear, then within twenty days after the delivery of such written promise to appear by the officer to a magistrate having jurisdiction over the offense. (Prior code § 1.12)

Section 1.08.040 Forfeiture of bail.
If, at the time when the case is called for arraignment before the magistrate, the defendant does not appear either in person or by counsel, the magistrate may declare the bail forfeited and may in his discretion order that no further proceedings be had in the case. Section 1.08.050 Filing of complaint.
Whenever written notice to appear has been prepared, delivered and filed with the court, an exact and legible duplicate copy of the notice when filed with the magistrate, in lieu of a verified complaint, shall constitute a complaint to which the defendant may plead "guilty."
If, however, the defendant violates his promise to appear in court or does not deposit lawful bail or pleads other than "guilty" of the offense charged, a complaint shall be filed which
shall conform to the provisions of Chapter 2 (commencing at Section 948) of Title 5, Part 2 of the Penal Code, and which shall be deemed to be an original complaint, and thereafter proceedings shall be had as provided by law, except that a defendant may, by an agreement in writing, subscribed by him and filed with the court, waive the filing of a verified complaint and elect that the prosecution may proceed upon a written notice to appear.  (Prior code § 1.14)

A certified copy of the order of vacation may be recorded in the Office of the Riverside County Recorder, where the notice of pendency of action is recorded. Upon the recordation of the order of vacation, the notice of pendency of the action or proceeding shall not constitute constructive notice of any of the matters contained therein nor create any duty of inquiry in any person thereafter dealing with the property described therein. Such an order of vacation shall not be appealable, but the party aggrieved by such order may, within twenty days after service of written notice of the order, or within such additional time not exceeding twenty days as the court may, within the original twenty days, allow, but not after sixty days after entry of the order, petition the property reviewing court to review such order by writ of mandate. No such order of vacation shall be effective, nor shall it be recorded in the Office of the Riverside County Recorder, until the time within which a petition for writ of mandate may be filed pursuant to this Section has expired. Section 1.17.005 Statement of purpose and intent.

A. Administrative Code Enforcement Remedies.

The City Council has determined that the enforcement of the Riverside Municipal Code throughout the City is an important public service and is vital to the protection of the public's health, safety and quality of life. The City Council has determined a need for alternative methods of code enforcement and that a comprehensive code enforcement system uses a combination of judicial and administrative remedies to gain compliance with code regulations. The City Council finds a need to draft precise regulations that can be effectively applied in judicial and administrative proceedings and further finds that there is a need to establish uniform procedures for the proper application of administrative code enforcement remedies and administrative hearings to resolve administrative code enforcement cases and appeals.

B. Administrative Enforcement and Appeal Hearings

It is the purpose and intent of the City Council to afford due process of law to any person who is directly affected by an administrative enforcement action. Due process of law includes adequate notice of the violation and enforcement remedy chosen by the City, an adequate explanation of the reasons justifying the administrative enforcement action taken by the City, and an opportunity to participate in the appropriate administrative enforcement or appeal hearing. These procedures are also intended to establish a forum to efficiently, expeditiously and fairly resolve issues raised by any administrative enforcement action.

C. Policies and Procedures.

The City Manager, or the designated representative thereof, is authorized to develop and implement policies and procedures relating to the qualifications, appointment and compensation of administrative hearing officers; the powers of administrative hearing officers; and all other matters relating to conducting administrative hearings as provided in this code.

In the event the person who commits the violation or causes the violating condition is a minor, then the minor’s parents or legal guardian shall be deemed the responsible party. In the event the violation or violating condition is most reasonably attributable to a business and not to an employee, then that business, to the extent it is a legal entity such that it can sue and be sued in its own name, and each person who is an owner of that business shall each be deemed responsible parties.
