The request must be made in writing within fifteen (15) days after the notice of intent to deny or revoke is mailed. Section 8.21.040 Mandatory Spay and Neuter of Pit Bull Breeds.

A. Findings.
   1. The City of Riverside has a contract with the County of Riverside (“County”) for animal control services and as such hereby adopts the findings made by the County in support of Riverside County Ordinance No. 921 as follows:
      a. In recent years, pit bulls comprise a disproportionately high number of unwanted dogs in the County, accounting for twenty (20) percent of shelter dogs and thirty (30) percent of dogs euthanized in the County.
      b. While the majority of pit bull owners are responsible and take appropriate measures to ensure that their dogs do not have unwanted offspring, there is a need to mitigate the large number of unwanted pit bulls in the County.
      c. Restricting the maintenance of and breeding of intact pit bulls and requiring the spaying and neutering of pit bulls will not prevent responsible pet owners and pet breeders from owning, breeding, or showing pit bull breeds.
   
   B. Purpose. To protect the public’s health and welfare from irresponsible owners of pit bulls by mitigating the over population of unwanted pit bulls.
   
   C. Authority. This Section is adopted pursuant to Health and Safety Code Section 122331, which authorizes cities to enact mandatory breed specific spay/neutering programs.
   
   D. Exemptions. The following pit bulls are exempt from the regulations described in this Section:
      1. Currently licensed pit bulls whose owners are registered breeders with the Department.
      2. A pit bull that has been appropriately trained and is actually being used by a public law enforcement agency for law enforcement purposes.
      3. A pit bull which has been certified by a licensed veterinarian as having a health reason for not being spayed/neutered.
      4. A pit bull which is in training at a licensed kennel and is currently licensed by the owner in another jurisdiction. The owner of the pit bull has the burden of showing that said pit bull is licensed in another jurisdiction.
5. A dog that is pending a breed determination when the dog owner or custodian requests such a determination in accordance with Paragraph F of this Ordinance.

E: Definitions. As used in this Section, the following terms shall have the following meanings:

1. Pit Bull. Any Staffordshire Bull Terrier, American Pit Bull Terrier, or American Stafford Terrier breed of dog, or any mixed breed of dog which contains, as an element of its breeding, any of these breeds so as to be identifiable as partially of one or more of these breeds.

F: Determination of Breed.

1. Upon written request of any dog owner or custodian, the Department’s Chief Veterinarian or designee will schedule a breed determination appointment to determine whether a dog is a pit bull.

2. The Department shall mail the requesting dog owner or custodian written notice of the date, time and place for the appointment not less than ten (10) days before the appointment date. The appointment date shall be no more than thirty (30) days after the Department’s receipt of the request for a breed determination.

3. The Department shall mail written results of breed determination to the requesting owner or custodian within ten (10) days after the appointment.

4. The above mentioned breed determination results are prima facie evidence of the facts stated therein. The owner or custodian may appeal the determination as provided in Chapter 1.17. On appeal, the dog owner or custodian appealing a breed determination has the burden to show that the dog is not a pit bull.

5. If the dog owner or custodian is cited for violation of this Section after the Department has determined that the dog is a pit bull, the citation may be appealed as provided in Chapter 1.17.

G: Mandatory Spay Neutering of Pit Bull Breed Dogs. No person shall own or possess a pit bull over the age of four (4) months that has not been spayed or neutered, except as provided for in Section D of this Ordinance.

H: Severability. If any provision, clause, sentence or paragraph of this Section or the application thereof to any person or circumstances shall be held invalid, such invalidity shall not affect the other provisions of this Section which can be given effect without the invalid provision or application, and to this end, the provisions of this Section are hereby declared to be severable. (Ord. 7236 §1, 2013)
