Section 9.04.010 Prohibition against certain forms of aggressive solicitation.

A. Findings

1. The City Council finds solicitation is unsafe and disruptive to persons in the City of Riverside and is a threat to public health, safety, and general welfare.

2. The City Council finds that solicitation at banks, ATMs and check cashing businesses, from persons in vehicles, in parking lots after dark, in public transportation vehicles, at gasoline stations and fuel pumps, in driveways, on median strips and freeway ramps, and at dining establishments that subjects persons in the City of Riverside to danger. Soliciting from persons in vehicles results in the congestion of public streets and can lead to distracted drivers causing accidents constituting a danger to pedestrian and vehicular traffic safety. The City Council further finds that soliciting from people in locations where it is difficult to avoid the solicitation makes persons who will commonly be carrying money on their persons vulnerable to intimidation and such solicitation detracts from the rights of persons in the City to quietly enjoy public facilities.

3. The restrictions of this section are content neutral and are narrowly tailored to serve a significant governmental interest but still provide alternatives avenues of communication. The reasonable time, place, manner restrictions of this section avoid the negative effects of aggressive solicitation and solicitation in unsafe places and will not unreasonably restrict free speech of people engaged in solicitation.

B. Authority and Purpose.

1. This section is adopted pursuant to the authority granted to the City of Riverside in Article XI, Section 5(a) and Section 7 of the California Constitution, and Section 200 of the Riverside City Charter.

2. The purpose and intent of this Chapter is to protect public health, safety and the general welfare of people in the City of Riverside by enacting reasonable time, place, manner, restrictions on certain forms of solicitation. The California Supreme Court has held such regulation of solicitation does not violate the liberty of speech clause of the California

Section 9.06.010 Findings.

The City Council finds and determines that the following legitimate and compelling governmental interests justify establishment of a curfew for minors: (a) protection of children from each other and from other persons on the street during late night and early morning hours; (b) protection of the public from nocturnal gang-related crime; (c) reduction of widespread juvenile criminal activity; (d) encouragement of parental control of and responsibility for their children. It is the intent of the City Council to allow minors under the age of eighteen to move about freely while participating in legitimate activities, and to pursue legitimate activities during the hours specified in Section 9.06.020 with the permission of his or her parent, guardian, or other adult person having the lawful care and custody of the minor. (Ord. 5998 § 1, 1992)

Section 9.06.015 Definitions.

As used in this chapter, a "minor" means any individual below the age of eighteen years. (Ord. 5998 § 1, 1992)

Section 9.06.020 Curfew established.

It is unlawful for any minor to be in or upon any public street, road, sidewalk, highway, park, vacant lot, alley, playground, curb, gutter, driveway, walkway, or other public place, whether inside or outside a motor vehicle, between the hours of ten p.m. and five a.m. except as hereinafter set forth in Section 9.06.030. (Ord. 6302 § 1, 1996; Ord. 5998 § 1, 1992)

Section 9.06.030 Curfew exceptions.

The following shall constitute valid exceptions to the operation of the curfew:
A. The minor is accompanied by his or her parent or other responsible person over the age of twenty-one and approved by the child's parent or legal guardian;
B. The minor is on any emergency errand or lawful business as directed by his or her parent or legal guardian;
C. The minor is going directly between his or her home and place of employment. This exception shall only be valid if the child has in his or her possession a written statement from the employer attesting to the place and hours of employment;
D. The minor is coming directly home from a meeting or a place of public entertainment such as a concert, movie, play, athletic or sporting event, school, dance, political activity or religious activity. This exception will apply for one-half hour after the completion of such event, but in no case beyond two a.m.;
E. The minor is engaged in interstate or intrastate travel, with the consent of his or her parent or legal guardian;
F. The minor is emancipated, and has in his or her possession proof of such status. (Ord. 5998 § 1, 1992)

Section 9.06.040 Permitting violation by adult.
Any parent, guardian, or other person having legal care, custody, or control of any minor under the age of eighteen who knowingly allows or permits such minor to be in violation of Section 9.06.020 is guilty of a misdemeanor. (Ord. 5998 § 1, 1992)

Section 9.06.050 Penalty for minors.
Any minor violating the provisions of Section 9.06.020 shall be guilty of a misdemeanor and shall be dealt with in accordance with the Juvenile Court laws of the State of California (Chapter 2, Division 2 of the Welfare and Institutions Code commencing with Section 200). (Ord. 5998 § 1, 1992)

Section 9.06.060 Severability.
If any section, subsection, sentence, clause or phrase of Sections 9.06.010 through 9.06.050 is for any reason held to be invalid or unconstitutional by decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions. The City Council hereby declares that it would have passed those sections, subsections, clauses, phrases, irrespective that one or more may be declared invalid or unconstitutional. SOCIAL HOST OF MINORS ACCOUNTABILITY

Section 9.07.010 Findings.

The City Council finds as follows:

A. The occurrence of parties, gatherings, or events on private property where alcoholic beverages, marijuana or other controlled substances are consumed by minors, are harmful to the minors themselves and a threat to public health, safety, quiet enjoyment of property, and general welfare.

B. These parties, gatherings, or events held at private residences or other private property, places, or premises, including rented commercial premises, often involve loud noise and foster a range of criminal conduct. Some of the typical offenses include excessive noise or traffic, obstruction of public streets, assault, menacing conduct, fights, harassment, disorderly conduct, littering, public drunkenness, indecent exposure, public urination, vandalism, and criminal mischief. These gatherings and associated criminal behavior disturb the peace of nearby residents, pose a danger to persons attending the gathering and to other persons in the vicinity, detract from the livability of the neighborhood, and reduce the value of nearby properties.

C. Persons responsible for the occurrence of such gatherings often fail to take reasonable steps to prevent the consumption of alcoholic beverages, marijuana or other controlled substances by minors at these gatherings.

D. The ability of police officers to control gatherings on private property where alcoholic beverages, marijuana or other controlled substances are consumed by minors is necessary when such activity is determined to be a threat to the peace, health, safety, or general welfare of the public.

E. Gatherings involving consumption of alcohol, marijuana or other controlled substances by minors, as defined by this Chapter, are unlawful and constitute a public nuisance pursuant to state law and the provisions of this Code.

F. Property owners, by themselves or through their agents, have the ability to prevent these gatherings and to deter recurrences. Although they may not themselves commit any of the offenses at issue, property owners should be held responsible, not only if they organize, host or facilitate these gatherings, but also if they allow or tolerate those offenses on
property that they control as owner. Consequently, responsibility and financial liability is joint
and several. (Ord. 7223 § 1, 2013; Ord. 6090 § 1, 1993)

Section 9.07.020 Authority and purpose.
A. This Chapter is adopted pursuant to the authority granted to the City of Riverside
in Article XI, Section 5(a) and Section 7 of the California Constitution, and Section 200 of the
Riverside City Charter.
B. The purpose and intent of this Chapter is to protect public health, safety, and
general welfare of people and premises in the City, including the quiet enjoyment of property by
enhancing the ability of law enforcement to deter the consumption of alcohol, marijuana or
controlled substances by minors, and reducing the costs of providing police, fire, and code
enforcement services to parties, gatherings, or events by requiring hosts, tenants, and property
owners to ensure that minors are not consuming alcoholic beverages, marijuana or other
controlled substances. (Ord. 7223 § 1, 2013; Ord. 6090 § 1, 1993)

Section 9.07.030 Definitions.
The following definitions apply to this Chapter:
“Alcohol” means ethyl alcohol, hydrated oxide of ethyl, or spirits of wine, from whatever
source or by whatever process produced.
“Alcoholic beverage” includes alcohol, spirits, liquor, wine, beer, and every liquid or solid

combined with other substances.
“Controlled substance” means a drug or substance the possession and use of which is
regulated under the federal controlled substances act. Such term does not include any drug or
substance for which the individual found to have consumed such substance has a valid
prescription issued by a licensed medical practitioner authorized to issue such a prescription.
“Gathering” is a party, gathering, or event where a group of three or more persons have
assembled or are assembling for a social occasion or social activity.

stepparent of another person.

any commercial or business premises.

enforcement, code enforcement, fire, or other emergency response personnel for the amount of
time spent responding to, remaining at, or otherwise dealing with a gathering, and the

Section 9.07.050  Hosting, permitting, or allowing a party, gathering, or event where minors consume alcoholic beverages, marijuana or other controlled substance prohibited.

A. Imposition of Duty and Violation.
   1. It is the duty of any person having ownership or control of any premises, who hosts, permits, or allows a gathering at said premises to take all reasonable steps to prevent the consumption of alcoholic beverages, marijuana or other controlled substance by any minor at the gathering. Reasonable steps are controlling access to alcoholic beverages, marijuana or other controlled substances at the gathering; controlling the quantity of alcoholic beverages present at the gathering; verifying the age of persons attending the gathering by inspecting driver’s licenses or other government-issued identification cards to ensure that minors do not consume alcoholic beverages while at the gathering; prohibiting the possession and/or use of marijuana or other controlled substance at the gathering; and supervising the activities of minors at the gathering.
   2. It is unlawful for any person having ownership or control of any premises to host, permit, or allow, tacitly or otherwise, a gathering to take place at said premises where at least one minor consumes an alcoholic beverage, marijuana or other controlled substance whenever the person having ownership or control of the premises either knows a minor has consumed an alcoholic beverage, marijuana or other controlled substance or reasonably should have known that a minor consumed an alcoholic beverage, marijuana or other controlled substance, had the person taken all reasonable steps to prevent the consumption of an alcoholic beverage, marijuana or other controlled substance by a minor as set forth in subsection (A)(1) of this section.

B. This section shall not apply to conduct involving the use of alcoholic beverages that occurs exclusively between a minor and his or her parent or legal guardian, as permitted by Article I, Section 4, of the California Constitution.

C. This section shall not apply to any California Department of Alcoholic Beverage Control licensee at any premises regulated by the Department of Alcoholic Beverage Control. (Ord. 7223 § 1, 2013; Ord. 6090 § 1, 1993)

Any violation of this Chapter may be abated by the City by all reasonable means including, but not limited to, an order requiring the gathering to be disbanded and citation and/or arrest of any law violators under any applicable state or local law, abatement as a nuisance under Chapter 6.15 of this Code, or by any other remedy or penalty available at law. (Ord. 7223 § 1, 2013; Ord. 6090 § 1, 1993)

Section 9.08.005 Findings.

A. The City of Riverside desires to amend the Use of Public Parks Chapter of its Municipal Code to provide updates regarding general park use and to provide permit provisions for certain activity in public parks. In developing this Ordinance, the City is mindful of the legal principles relating to regulation of activity and events on public property, and public parks specifically, and the City Council does not intend to suppress or infringe upon any expressive activities protected by the First Amendment of the United States and California Constitutions but instead desires to enact reasonable content-neutral time, place and manner regulations that address the need to coordinate multiple uses of limited park space, assure the preservation of park facilities, prevent dangerous, unlawful, or impermissible activities on park property and assure financial accountability for damages caused by activity on park property; and

B. The City is not directing its regulation at communicative activity, but to all activity in Riverside public parks; and

C. The City Council in enacting this Ordinance does hereby take legislative notice of the various decisions of the United States Supreme Court regarding regulation of activity in public spaces in general, and activity in public parks in particular, including, but not limited to,
Thomas v. Chicago Park District, 534 U.S. 316 (2002); City of Littleton, Colo. v. Z. J. Gifts D-4, L.L.C., 541 U.S. 774 (2004); Young v. American Mini Theaters, Inc., 427 U.S. 50 (1976); Capital Square Review & Advisory Bd. v. Pinette, 515 U.S. 753, 761 (1995); Central Hudson Gas & Electric Corp. v. Public Service Commission of New York, 447 U.S. 577 (1980); Cox v. New Hampshire, 312 U.S. 569 (1941); decisions of the Ninth Circuit including, but not limited to, Santa Monica Food Not Bombs. V. City of Santa Monica, 450 F.3d 1022 (9th Cir. 2006); and decisions of the Sixth Circuit including but not limited to American-Arab Anti-Discrimination Committee v. City of Dearborn, 418 F.3d 600 (6th Cir. 2005); and

D. In 2012, the City’s public parks were used by approximately 2,900,000 individuals living in Riverside County and throughout the Southern California region. These public parks are heavily used for a variety of purposes including heavy use by families with children. Park usage is limited by the large number of people that use the public parks and by other aspects of the parks, including shape, location, and facilities; and

E. Of note, some of the City parks are adjacent to busy streets and are located in residential or mixed residential and commercial areas. As well, a portion of the City’s park space is not available for general, passive use because it is dedicated to special uses such as playgrounds, tennis courts, basketball and volleyball courts, swimming pools, softball, soccer and sports fields, lawn bowling, community centers, horseshoe pits, exercise courses, picnic facilities and barbeque pits, exercise and walking trails, concert areas and skateboard facilities and other areas are dedicated to gardens and lakes and other water features; and

F. Most of the specialized areas of City parks are heavily and constantly used. As well, passive park space is also very heavily utilized by individuals who jog, walk, read and lounge, and by informal groups who stroll, play games, chat and have parties and picnics in the City parks. As well, organized groups, such as schools, companies, churches, and the City itself use the public parks for picnics, festivals, community events, recreation classes, rallies and demonstrations; and

G. In recent years, Fairmount Park has been regularly used by up to seven private groups to distribute free food to the public on a scheduled basis, which attracts crowds of twenty to one hundred individuals and involves significant amounts of paraphernalia and materials used to hold and serve food. The groups distributing food to the public in Fairmount Park concentrate their activities on Thursdays, Fridays, Saturdays and Sundays between 9:00 a.m. and 2:00 p.m. when the use of the park by other members of the public is quite large; and

H. The groups distributing food to the public in Fairmount Park do not cleanup or restore the park to its original conditions after the food distribution but instead leave significant amounts of litter and trash strewn over the park property. In addition, these feedings are frequently accompanied by provision of clothing which is simply piled in the park area and at the end of the event trash and the remnants of this virtual garage sale remains; and

I. The ongoing and repetitive outdoor distribution of food to large numbers of people has significant adverse impacts upon City parks and upon park users. Moreover, private food distributions on public property in the City pose significant public health risks. The health risks of distributing food in City parks arise from a variety of factors including the limited sanitary facilities, the presence of birds and animals, and the lack of facilities for storing food and keeping it at proper temperatures. The health risks attendant to distributing food to the public in City parks are exacerbated by the fact that the vast majority of the food consumers are homeless persons who are particularly vulnerable to health risks because many have chronic health problems, and all have very limited access to medical care and sanitary facilities. The City’s Homeless Services staff has therefore suggested alternatives to persons distributing food at Fairmount Park, including the alternative of participating in the “Guest Chef” programs operated by Path of Life Ministries for the two emergency shelter programs in the City or to
connect with other organizations distributing food at church facilities. Only one organization distributing food to the public at Fairmount Park has accepted the alternative to concentrate their food distribution efforts at emergency shelters; and

J. Because the City’s public parks are constantly used by large numbers of people for a variety of activities, events in parks must be carefully and reasonably managed. This includes but is in no way, or through no intent, limited to the management of the free food distribution to large numbers of the general public; and

K. The City regulates the use of its public parks to protect the health, safety and public welfare by regulating traffic, noise, aesthetics, and other impacts; and

Section 9.09.020 Nuisance declaration.

Any public pay telephone which is installed, located, maintained or operated in violation of Section 9.09.010 is declared to be a public nuisance if it is used as an instrumentality for, or contributes substantially by its presence to, any of the following activities:

D. Making excessive noise. (Ord. 6278 § 1 (part), 1996)

Section 9.09.030 Abatement generally.

A. Notification of Nuisance. Whenever the Chief of Police or the Chief's designee determines that any public pay telephone constitutes a public nuisance within the meaning of Section 9.09.020, the Chief of Police or such designee shall give written notice (notice to abate) to the record owner of the property upon which the pay telephone is located, or if available, the owner or other interested party of the pay telephone, stating (1) the general facts upon which the nuisance determination was made; (2) a reasonable time limit to abate the nuisance; and
(3) the right to appeal. The notice shall direct the abatement of the nuisance and refer to this chapter for particulars. The notice served shall contain a description of the property by address or other identifiable characteristics on which the pay telephone is located.

B. Manner of Giving Notice. The notice required by this chapter may be served in any one of the following manners:

1. By personal service on the pay telephone owner, if known, or the property owner upon whose property such pay telephone is located, as shown on the last available County of Riverside tax assessment roll; or

2. By certified mail addressed to the pay telephone owner, if known, or the property owner upon whose property such pay telephone is located, as shown on the last available County tax assessment roll. (Ord. 6278 § 1 (part), 1996)

Section 9.09.040 Appeal.

Within ten days from the date of giving notice, the property or pay telephone owner may file an appeal of the nuisance finding to the City Manager. Such appeal shall be in writing and shall identify the property upon which the pay telephone is located. Such notice shall be served upon the City Clerk within the time set forth above.

The City Manager shall then appoint a hearing officer to hear the appeal, which hearing officer shall not be an employee of the Police Department. The appeal must be heard within sixty days from the filing of the notice of appeal or at such later date agreed upon by the appellant. Notice of the date of the hearing shall be no sooner than five days from the date when notice of the hearing is given to the pay telephone or property owner and to the Police Chief or the Chief's designee. The decision of the hearing officer is final. (Ord. 6278 § 1 (part), 1996)

Section 9.09.050 Time limit for compliance.

The property or pay telephone owner must abate the nuisance within the period of time set forth in the notice to abate, or, in the case of an appeal, within ten days from the finding of the hearing officer or such longer period as may be determined by the hearing officer. Unless an emergency situation exists, the property or pay telephone owner shall be given at least ten days to abate the nuisance. (Ord. 6278 § 1 (part), 1996)

Section 9.09.060 Abatement by the City.

If the nuisance is not abated by the violator within the time limits set forth above, the City, by its employees or any hired contractor, may cause the nuisance to be abated. The Police Chief or the Chief's designee shall thereafter cause a report of the action and an accurate account of cost to be filed with the City Clerk. (Ord. 6278 § 1 (part), 1996)

Section 9.09.070 Notice of hearing on report of costs.

Notice of the time, date and place of the hearing will be given by mail to the property owner and telephone owner, if known. (Ord. 6278 § 1 (part), 1996)

Section 9.09.080 Action upon report at hearing.

A. The City Council shall consider the report and account submitted by the Chief of
Police or the Chief’s designee at the time set for hearing, together with any objections or protests by any interested parties. Any owner of land or person interested therein may present a written or oral protest or objection to the report and account. At the conclusion of the hearing, the City Council shall either approve the report and account as submitted or as modified or corrected by the City Council.

B. The amounts so approved shall be liens upon the respective lots or premises, and the City Council shall adopt a resolution assessing such amounts as liens upon the respective parcels of land as they are shown upon the last available assessment roll. The resolution shall also describe the condition of the property which constituted the nuisance. (Ord. 6278 § 1 (part), 1996)

Section 9.09.090 Imposition of lien.

The City Clerk shall prepare and file with the County Auditor a certified copy of the resolution of the City Council assessing the costs of abatement as a lien on the land, adopted pursuant to the preceding section. The County Auditor shall enter each assessment on the County tax roll upon the parcel of land. The amount of the assessment shall be collected at the time and in the manner of ordinary municipal taxes; and if delinquent, the amount is subject to the same penalties and procedure of foreclosure and sale as is provided for ordinary municipal taxes. (Ord. 6278 § 1 (part), 1996)

Section 9.09.100 Collection of costs prior to hearing.

The Finance Department of the City may accept payment of any amount due at any time prior to the City Council hearing on the report and account. (Ord. 6278 § 1 (part), 1996)

Section 9.09.110 Replacement.

A. If any public pay telephone constitutes a public nuisance because it is used for one or more of the activities set forth in Section 9.09.020, procedures provided for administrative abatement shall be followed, as set forth above.

B. The abatement notice issued under Section 9.09.030 shall specify that abatement will require removal of the public pay telephone, and will prohibit its replacement on the same parcel or any contiguous parcel owned by the same property owner for a period of up to one year from the date of removal.

C. Any decision of the hearing officer ordering abatement shall specify that it is unlawful for any public pay telephone to be installed on the same parcel or on any contiguous parcel owned by the same property owner for a period of up to one year from the date of removal. (Ord. 6278 § 1 (part), 1996)

Section 9.09.120 Alternative prosecution.

Section 9.09.130 Severability.

If any section, subsection, sentence, clause or phrase of this chapter is for any reason held to be invalid or unconstitutional by decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of the chapter. The City Council declares that it would have passed this chapter and each section, subsection, clause or phrase thereof irrespective of the fact that one or more other sections, subsections, clauses or phrases

Section 9.18.010 Purpose and intent.

It is the purpose and intent of this chapter to help prevent the spread of graffiti and to establish a program for its removal from public and private property. The spread of graffiti on public and private buildings, walls, signs and other structures or places or other surfaces causes blight within the City, resulting in a genuine threat to life, incalculable economic losses to businesses in terms of physical property, profits and goodwill, and the general deterioration of property and business values for adjacent and surrounding properties. The power of graffiti to create fear and insecurity within the community and blight upon the landscape, reducing property values and detracting from the sense of the community enjoyed by residents of Riverside is beyond the cost of cleanup or removal. Not only is graffiti a property crime, but a social crime on the quality of life and freedom from intimidation citizens desire within their neighborhoods. Whenever the Public Works Director or his/her authorized representative determines that graffiti on a particular structure constitutes a public nuisance and is unable to secure the consent of the owner for the City to cause the graffiti to be removed, such graffiti shall be abated as follows:

A. Notice. The Public Works Director shall cause a notice to be issued to abate such
nuisance. The property owner shall have ten days after the date of the notice to remove the graffiti, or the property will be subject to abatement by the City.

B. Service of Notice. The notice to abate graffiti pursuant to this section shall cause a written notice to be served upon the owner(s) of the affected premises, as such owner's name and address appears on the last equalized property tax assessment rolls of the County of Riverside. If there is no known address for the owner, the notice shall be sent in care of the property address. The notice required by this chapter may be served in any one of the following manners:

1. By personal service on the owner, occupant or person in charge or control of the property.
2. By certified mail addressed to the owner at the last known address of said owner. If this address is unknown, the notice will be sent to the property address.

The notice shall be substantially in the following form:

NOTICE OF INTENT TO REMOVE GRAFFITI

"Date:

NOTICE IS HEREBY GIVEN that you are required by law at your expense to remove or paint over the graffiti located on the property commonly known as ______, Riverside, California, which is visible to public view, within ten (10) days after the date of this notice; or, if you fail to do so, City employees or private contractors employed by the City will enter upon your property and abate the public nuisance by removal or painting over the graffiti. The cost of the abatement by the City employees or its private contractors will be assessed upon your property and such costs will constitute a lien upon the land until paid.

All persons having any objection to, or interest in said matters are hereby notified to submit any objections or comments to the Public Works Director for the City of Riverside or his/her designated representative within ten (10) days from the date of this notice. At the conclusion of this ten (10) day period the City may proceed with the abatement of the graffiti inscribed on your property at your expense without further notice."

C. Appeal. Within ten days from the mailing or personal service of the notice, the owner or person occupying or controlling such premises or lot affected may appeal to the City Council of the City of Riverside. At a regular meeting or regular adjourned meeting of the City Council not more than twenty days thereafter, the Council shall proceed to hear and pass upon such appeal. The decision of the Council thereupon shall be final and conclusive.

D. Removal by City. Upon failure of persons to comply with the notice by the designated date, or such continued date thereafter as the Public Works Director or his/her designated representative approves, then the Public Works Director is authorized and directed to cause the graffiti to be abated by City forces or private contract, and the City or its private contractor is expressly authorized to enter upon the premises for such purposes. All reasonable efforts to minimize damage from such entry shall be taken by the City, and any paint used to obliterate graffiti shall be as close as practicable to background color(s).

E. Record of Cost for Abatement. The Public Works Director and/or the Finance Director shall keep an account of costs (including, but not limited to, court costs, attorney's fees, cost of removal of the graffiti or other inscribed material, costs of repair and replacement of defaced property, incidental and administrative costs, and any law enforcement costs incurred in the investigation and apprehension of a person causing the graffiti damage) of abating such nuisance on each separate parcel of land where the work is done and shall render an itemized report in writing to the City Council showing the cost of abatement; provided, that before the report is submitted to the Council a copy shall be served in accordance with the provisions of this section, together with a notice of time when the report shall be heard by the Council for confirmation.
1. The City Council shall set the matter for hearing to determine the correctness and reasonableness of such costs.

2. The term "incidental expenses" shall include, but not be limited to, the actual expenses and costs of the City in the preparation of notices, specifications and contracts and in inspecting the work, and the costs of printing and mailing required hereunder.

F. Report--Hearing and Proceedings. At the time and place fixed for receiving and considering the report, the City Council shall hear and pass the report of such costs of abatement, together with any objections or protests. Thereupon, the City Council may make such revision, correction or modification in the report as it may deem just, after which, by motion, the report as submitted or as revised, corrected or modified shall be confirmed. The decision of the City Council on all protests and objections which may be made shall be final and conclusive.

G. Assessment of Costs Against Property. The total cost for abating such nuisance, as confirmed by the City Council, shall constitute a special assessment against the respective lot or parcel of land to which it relates, and upon notice and recordation in the office of the Riverside County Recorder of a notice of lien, as so made and confirmed, shall constitute a lien on the property for the amount of such assessment pursuant to Government Code Section 38773.5.

1. After such confirmation and recordation, a copy shall be filed with the Assessor and Tax Collector of Riverside County, acting for the City, in order that said County officials may add the amounts of the respective assessments to the next regular tax bills levied against the respective lots and parcels of land, and thereafter said amounts shall be collected at the same time and in the same manner as ordinary municipal taxes are collected and shall be subject to the same procedure under foreclosure and sale in case of delinquency as provided for ordinary municipal taxes; or

2. After such recordation, such lien may be foreclosed by judicial or other sale in the manner and means provided by law.

(Ord. 7229 §10, 2013)

In addition to any fines levied by the City for violation of this chapter, any person who has damaged property by inscribing graffiti on public or private property shall be liable for the amount of any reward paid pursuant to this chapter and Section 53069.5 of the California Government Code. If such person is an unemancipated minor, such minor's parents or guardian are so liable and shall pay such amount to the City. (Ord. 7229 §11, 2013)

Section 9.28.010 Chapter purpose--Definitions.

In addition to and in accordance with the determination made and the authority granted by the State under Section 22660 of the Vehicle Code to remove abandoned, wrecked, dismantled or inoperative vehicles or parts thereof as public nuisances, the City Council makes the following findings and declarations:

The accumulation and storage of abandoned, wrecked, dismantled or inoperative vehicles or parts thereof on private or public property not including highways is found to create a condition tending to reduce the value of private property, to promote blight and deterioration, to invite plundering, to create fire hazards, to constitute an attractive nuisance creating a hazard to the health and safety of minors, to create a harborage for rodents and insects and to be injurious to the health, safety and general welfare. Therefore the presence of an abandoned, wrecked, dismantled or inoperative vehicle or part thereof, on private or public property not including highways, except as expressly hereinafter permitted, is declared to constitute a nuisance which may be abated as such in accordance with the provisions of this chapter.

As used in this chapter:
"Highway" means a way or place of whatever nature, publicly maintained and open to the use of the public for purposes of vehicular travel. "Highway" includes street;
"Owner of the land" means the owner of the land on which the vehicle, or parts thereof, is located, as shown on the last equalized assessment roll;
"Owner of the vehicle" means the last registered owner and legal owner of record.
"Public property" does not include "highway";
"Vehicle" means a device by which any person or property may be propelled, moved, or drawn upon a highway, except a device moved by human power or used exclusively upon stationary rails or tracks. (Ord. 3828 § 1 (part), 1971)

Section 9.28.020 Chapter exemptions.

This chapter shall not apply to:
A. A vehicle or part thereof which is completely enclosed within a building in a lawful manner where it is not visible from the street or other public or private property; or
B. A vehicle or part thereof which is stored or parked in a lawful manner on private property in connection with the business of a licensed dismantler, licensed vehicle dealer, a junk dealer, or when such storage or parking is necessary to the operation of a lawfully conducted business or commercial enterprise.

Nothing in this section shall authorize the maintenance of a public or private nuisance as defined under provisions of law other than Chapter 10 (commencing with Section 22650) of Division 11 of the Vehicle Code and this chapter. (Ord. 3828 § 1 (part), 1971)

Section 9.28.030 Chapter supplemental to other codes.

This chapter is not the exclusive regulation of abandoned, wrecked, dismantled or inoperative vehicles within the City. It shall supplement and be in addition to the other regulatory codes, statutes and ordinances heretofore or hereafter enacted by the City, the State, or any other legal entity or agency having jurisdiction. (Ord. 3828 § 1 (part), 1971)

Section 9.28.040 Administration and enforcement.

Except as otherwise provided herein, the provisions of this Chapter shall be administered and enforced by the Chief of Police, the Community Development Director, and/or the Public Works Director and/or the authorized representative thereof. In the enforcement of this Chapter such code enforcement officers and law enforcement officers may enter upon private or public property to examine a vehicle or parts thereof, or obtain information as to the identity of a vehicle (and to remove or cause the removal of a vehicle or part thereof) declared to be a nuisance pursuant to this chapter. (Ord. 6844 § 16, 2006; Ord. 5847 § 1, 1990; Ord. 3823 § 1 (part), 1971)

(Ord. 3828 § 1 (part), 1971)

Section 9.28.060 Administration cost assessment.

The City Council shall from time to time determine and fix an amount to be assessed as administrative costs (excluding the actual cost of removal of any vehicle or part thereof) under this chapter. (Ord. 3828 § 1 (part), 1971)

Section 9.28.070 Abatement and removal.

Upon discovering the existence of an abandoned, wrecked, dismantled or inoperative vehicle, or parts thereof, on private property or public property within the City, the Chief of Police, the Community Development Director, and/or the Public Works Director and/or the authorized representative thereof shall have the authority to cause the abatement and removal thereof in accordance with the procedure prescribed herein. (Ord. 6844 § 17, 2006; Ord. 5847 § 2, 1990; Ord. 3828 § 1 (part), 1971)

Section 9.28.080 Notice of intention to abate and remove.

A. Unless the property owner and the owner of the vehicle have signed releases authorizing removal and waiving further interest in the vehicle or part thereof, a ten-day notice of intention to abate and remove the vehicle or parts thereof as a public nuisance shall be mailed by certified mail to the owner of the land and to the owner of the vehicle except when the vehicle
is in such condition that identification numbers are not available to determine ownership of such vehicle.

and is determined by the City to be a public nuisance presenting an immediate threat to public health or safety, provided that the property owner has signed a release authorizing removal and waiving further interest in the vehicle or part thereof. Prior to final disposition under Section 9.28.110 of such a low-valued vehicle or part for which evidence of registration was recovered, the City shall provide notice to the registered and legal owners of intent to dispose of the vehicle or part, and if the vehicle or part is not claimed and removed within twelve days after the notice is mailed, from the location specified in Section 9.28.110, final disposition may proceed. Section 9.28.090 Request for hearing.

Upon request by the owner of the vehicle or owner of the land received by the Code Enforcement Manager, Code Enforcement Division of the Community Development Department within ten days after the mailing of the notices of intention to abate and remove, a public hearing shall be held as set forth in Section 6.15.030 by the hearing officer on the question of abatement and removal of the vehicle or parts thereof as an abandoned, wrecked, dismantled or inoperative vehicle, and the assessment of the administrative costs and the cost of removal of the vehicle or parts thereof against the property on which it is located. If the owner of the land submits a sworn written statement denying responsibility for the presence of the vehicle on his land within such ten-day period, said statement shall be construed as a request for a hearing which does not require his presence. Notice of the hearing shall be mailed, by certified mail, at least ten days before the hearing to the owner of the land and to the owner of the vehicle, unless the vehicle is in such condition that identification numbers are not available to determine ownership. If such a request for hearing is not received within said ten days after mailing of the notice of intention to abate and remove, the City shall have the authority to abate and remove the vehicle or parts thereof as a public nuisance without holding a public hearing. (Ord. 6844 § 19, 2006; Ord. 5927 § 2, 1991; Ord. 5491 § 2, 1987; Ord. 3828 § 1 (part), 1971)

Section 9.28.100 Hearing.

All hearings under this chapter shall be held before a hearing officer who shall hear all facts and testimony such hearing officer deems pertinent. Said facts and testimony may include testimony on the condition of the vehicle or parts thereof and the circumstances concerning its location on the said private property or public property. The hearing officer shall not be limited by the technical rules of evidence. The owner of the land may appear in person at the hearing or present a sworn written statement in time for consideration at the hearing, and deny responsibility for the presence of the vehicle on the land, with his reasons for such denial. The hearing officer may impose such conditions and take such other action as the hearing officer deems appropriate under the circumstances to carry out the purpose of this chapter. The hearing officer may delay the time for removal of the vehicle or parts thereof if, in the hearing officer's opinion, the circumstances justify it. At the conclusion of the public hearing, the hearing officer may find that a vehicle or parts thereof has been abandoned, wrecked, dismantled or is inoperative on private or public property and order the same removed from the property as a public nuisance and disposed of as hereinafter provided and determine the administrative costs and the cost of removal to be charged against the owner of the land. The order requiring removal shall include a description of the vehicle or parts thereof and the correct identification number and license number of the vehicle, if available at the site.

If it is determined at the hearing that the vehicle was placed on the land without the consent of the owner of the land and that he has not subsequently acquiesced in its presence,
the hearing officer shall not assess the costs of administration or removal of the vehicle against the property upon which the vehicle is located or otherwise attempt to collect such costs from such owner of the land.

If the owner of the land submits a sworn written statement denying responsibility for the presence of the vehicle on his land but does not appear, or if an interested party makes a written presentation to the hearing officer but does not appear, he shall be notified in writing of the decision.

The decision of the hearing officer shall be final and the appellant may not appeal such decision to the City Council. (Ord. 5927 § 3, 1991; Ord. 5491 § 3, 1987; Ord. 3828 § 1 (part), 1971)

Section 9.28.110 Disposal of nuisance.

Five days after adoption of the order declaring the vehicle or parts thereof to be a public nuisance, five days from the date of mailing of notice of the decision if such notice is required by Section 9.28.100, or fifteen days after such action of the hearing officer authorizing removal following appeal, the vehicle or parts thereof may be disposed of by removal to a scrapyard or automobile dismantler's yard. After a vehicle has been removed, said vehicle shall not thereafter be reconstructed or made operable unless it is a vehicle which qualifies for either horseless carriage license plates or historical vehicle license plates, pursuant to Section 5004 of the Vehicle Code, in which case the vehicle may be reconstructed or made operable. (Ord. 6091 § 2, 1993; Ord. 3828 § 1 (part), 1971)

Section 9.28.120 Notice to Department of Motor Vehicles.

Within five days after the date of removal of the vehicle or parts thereof, notice shall be given to the Department of Motor Vehicles identifying the vehicle or parts thereof removed. At the same time there shall be transmitted to the Department of Motor Vehicles any evidence of registration available, including registration certificates, certificates of title and license plates. (Ord. 3828 § 1 (part), 1971)

Section 9.28.130 Assessment of costs.

If the administrative costs and the cost of removal which are charged against the owner of a parcel of land pursuant to Sections 9.28.080 or 9.28.100 are not paid within thirty days of the date of the order, or the final disposition of an appeal therefrom, such costs shall be assessed against the parcel of land pursuant to Section 38773.5 of the Government Code and shall be transmitted to the tax collector for collection. Said assessment shall have the same priority as other City taxes. (Ord. 6091 § 3, 1993; Ord. 3828 § 1 (part), 1971)

Section 9.30.010 Findings and purpose.

The City Council finds as follows:

A. Solicitation of prostitution and illegal dumping are nuisance activities that endanger the public health and safety. Vehicles used in these nuisance activities are themselves nuisances to be seized and impounded for a period of up to 30 days as provided in this chapter if the owner or operator of the vehicle has had a prior conviction for the same offense within the past three years.

B. The procedures presented in this chapter for the seizure and impoundment of nuisance vehicles are expressly intended as a remedy to abate these nuisances, to protect the City’s residents and the public from harm to their health, safety, and welfare. Examples of such damages are the costs of cleaning up illegal dump sites, and diverting limited police and public works resources to address these nuisance activities through direct enforcement or other programs. Any deterrent effect is deemed incidental to the remedial purpose of this ordinance.

C. People who use vehicles to illegally dump waste matter or attempt to do so, or transport waste matter for the purpose of illegally dumping it, within the City bring decay and blight into the City’s neighborhoods, create public health hazards, and invite more illegal dumping. Such blight, decay, and unhealthful conditions adversely affect the quality of life for the City’s residents, lead to a reduction in the values of their property, and invite criminal activity.

D. People who use vehicles to solicit prostitutes or engage in an act or attempted act of prostitution bring crime and decay into the City’s neighborhoods. (Ord. 7181 §1, 2012; Ord. 6780 §1, 2005 (part); Ord 6677 §1, 2003; Ord 6648 § 1, 2003)

Section 9.30.020 Authority.

B. The owner or operator of the vehicle has had a prior conviction for the same offense within the past three years. (Ord. 7181 § 1, 2012; Ord. 6780 § 1, 2005 (part); Ord. 6648 § 1, 2003)

Section 9.30.060 Process for seizure.

The Riverside Police Department shall make a prompt investigation as to any potential claimant to a nuisance vehicle that is subject to this chapter whose right, title, interest, or lien is of record in the Department of Motor Vehicles of this state or any other state or appropriate federal agency.
B. Notice of seizure.
1. At the time a nuisance vehicle is seized pursuant to this chapter by the Riverside Police Department, the seizing officer shall provide a notice of seizure to the person from whose possession the vehicle was seized.
2. Within two business days after impoundment, the Riverside Police Department shall send a notice by certified mail, return receipt requested, to the legal owner of the vehicle, at the address obtained from the department, informing the owner that the vehicle has been impounded. The notice shall also include notice of the opportunity for a post-storage hearing to determine the validity of the storage or to determine mitigating circumstances establishing that the vehicle should be released.
3. If the Riverside Police Department’s investigation reveals any potential claimants, other than the legal owner of the vehicle whose right, title, interest or lien existed prior to the date of the commission of the act giving rise to the nuisance; then the Riverside Police Department shall send a notice of seizure to each such claimant within two working days following the date the vehicle was seized. Such notice shall be served by certified mail, return receipt requested, at the claimant’s address appearing on the records of the applicable state’s Department of Motor Vehicles or appropriate federal agency.
4. The impounding agency shall be prohibited from charging for more than five days storage if it fails to notify the legal owner within two working days after the impoundment when the legal owner redeems the impounded vehicle. The impounding agency shall maintain a published telephone number that provides information 24 hours a day regarding the impoundment of vehicles and the rights of a legal owner and a registered owner to request a hearing.
5. The notice of seizure shall include the following:

D. Towing and storage.
The Riverside Police Department shall make arrangements for the towing of a seized vehicle and its storage at a designated tow yard.
E. Seized vehicles as evidence.
   A nuisance vehicle seized pursuant to this chapter, where appropriate, may be held for evidence in any proceeding brought by the District Attorney. (Ord. 7181 § 1, 2012; Ord. 6780 § 1, 2005, (part); Ord. 6648 § 1, 2003)

Section 9.30.070 Post-seizure hearing.
A. Opportunity for hearing.
The Riverside Police Department shall provide any potential claimants, discovered as a result of its investigation of vehicle ownership interests, with the opportunity for a post-seizure hearing to determine the validity of the seizure, that is, whether there was probable cause to believe the vehicle was used in violation of this chapter.
B. Manner of hearing.
The Riverside Police Department shall have the authority, but not the obligation, to conduct this hearing in the same manner as a vehicle post-storage hearing conducted pursuant to Vehicle Code §22852.
C. Hearing officer.
The Riverside Police Department may authorize its own officer or employee to act as a hearing officer and conduct the post-seizure hearing, provided that the officer so chosen is not the same person who directed or participated in the seizure of the nuisance vehicle.
D. Request for hearing.
   Any claimant who desires a post-seizure hearing must make a request to the Riverside Police Department in person, or in writing, or by telephone as specified in the notice of seizure. The request must be made within ten business days of the date of the notice of seizure. Failure to make a request within the time allowed shall constitute the claimant’s waiver of any right to a post-seizure hearing and satisfies the requirement for such a hearing.
E. Time for hearing.
The post-seizure hearing shall be conducted within 48 hours of the date of the first request received, excluding weekends and holidays, by the Riverside Police Department from any claimant.
F. Multiple claimants; notice of hearing.
   1. If there are multiple claimants, then upon receipt of the first request for a post-seizure hearing, the Riverside Police Department shall send written notice, by regular mail, of the date,
time, and location of the post-seizure hearing to the remaining claimants.

2. The Riverside Police Department shall not be required to conduct multiple post-
seizure hearings for each seized nuisance vehicle.

3. Claimants who cannot attend the post-seizure hearing as scheduled, and wish to be
heard, may send a written statement for the hearing officer’s consideration to the Riverside
Police Department at the address specified in the notice of seizure.

G. Findings of hearing officer.
1. If the hearing officer determines that no probable cause existed for the seizure, the
vehicle shall be released as soon as practicable to the appropriate claimant without imposing
any towing and/or storage charges. The City Attorney and each claimant shall be notified of the
release.

2. If the hearing officer determines that probable cause for the seizure existed and that
the seized vehicle may be subject to the impound exceptions set forth at §9.30.100, the hearing
officer shall confer with the City Attorney as soon as possible. Upon the determination of the
Hearing Officer that an impoundment exception applies, the vehicle shall be released as soon
as practicable to the appropriate claimant without imposing any towing and/or storage charges.
The City Attorney and each claimant shall be notified of the release.

3. If the hearing officer determines that probable cause existed for the seizure, then the
vehicle will remain impounded as provided in §9.30.080.

4. Any period during which a vehicle is subjected to storage under an ordinance
adopted pursuant to this section shall be included as part of the period of impoundment. (Ord.
7181 § 1, 2012; Ord. 6780 §1, 2005 (part); Ord 6648 §1, 2003)

Section 9.30.080 Administrative impoundment proceedings.

A. Application.
The provisions of this section shall apply only to nuisance vehicles actually seized,
pursuant to a valid arrest of the driver, for a violation under the authority of this chapter.

B. Factual determination.
The Hearing Officer shall determine from the police reports and other relevant
information, if any, whether the factual circumstances surrounding the seizure warrant
impoundment of the seized vehicle.

C. Notice of administrative proceedings.
1. In those instances where a 30 day impound is warranted, a Riverside Police
Department representative shall cause a notice of administrative proceedings to be sent by
certified mail, return receipt requested, to each potential claimant identified by the Riverside Police Department. Personal service shall not be required. This notice shall be accompanied by a claim form.

2. The notice of administrative proceedings shall include the following:
   (a) the vehicle and seizure information presented in the notice of
       seizure;
   (b) notice that administrative impoundment proceedings have begun
       and can be opposed only by filing a claim opposing impoundment,
       the time limits for filing the claim, and instructions for filing and
       serving the claim; and
   (c) notice that failure to properly file and serve the claim will result in
       impoundment of the vehicle for 30 days. (Ord. 7181 § 1, 2012;
       Ord. 6780 § 1, 2005 (part); Ord. 6648 § 1, 2003)
Section 9.30.090   Vehicle release prior to impoundment expiration.
   A. Notwithstanding the provisions of this chapter, the Riverside Police Department shall return a seized vehicle to the registered owner or his agent prior to the end of the impoundment period, upon the determination of any of the following circumstances:
      (1) The driver of the impounded vehicle was arrested without probable cause.
      (2) The vehicle is a stolen vehicle.
      (3) The vehicle is subject to bailment and was driven by an unlicensed employee of a business establishment, including a parking service or repair garage.
      (4) The driver of the vehicle is not the sole registered owner of the vehicle and the vehicle is being released to another registered owner of the vehicle who agrees not to allow the driver to use the vehicle until after the end of the impoundment period.
      (5) The registered owner of the vehicle was neither the driver nor a passenger of the vehicle at the time of the alleged violation, or was unaware that the driver was using the vehicle to engage in activities subject to Section 266h or 266i of, or subdivision (b) of Section 647 of, the Penal Code.
   B. A spouse, registered domestic partner, or other affected third party objects to the impoundment of the vehicle on the grounds that it would create a hardship if the subject vehicle is the sole vehicle in a household. The hearing officer shall release the vehicle where the hardship to a spouse, registered domestic partner, or other affected third party created by the impoundment of the subject vehicle, or the length of the impoundment, outweigh the seriousness and the severity of the act in which the vehicle was used. (Ord. 7181 § 1, 2012; Ord. 6780 § 1, 2005 (part); Ord. 6648 § 1, 2003)

Section 9.30.100   Vehicle storage charges.
   A. Storage charges.
      1. Except as provided in § 9.30.090(A)(1), the registered owner or his or her agent shall be responsible for all towing and storage charges related to the impoundment.
      2. A vehicle removed and seized under an ordinance adopted pursuant to this section shall be released to the legal owner of the vehicle or the legal owner’s agent prior to the end of the impoundment period if both of the following conditions are met:
         (a) The legal owner is a motor vehicle dealer, bank, credit union, acceptance corporation, or other licensed financial institution legally operating in this state, or is another person who is not the registered owner of the vehicle.
         (b) The legal owner or the legal owner’s agent pays all towing and storage fees related to the seizure and impoundment of the vehicle.
   B. Waiver of storage charges.
      1. No lien sale processing fees shall be charged to the legal owner who redeems the vehicle prior to the 15th day of the impoundment period. Neither the impounding authority nor any person having possession of the vehicle shall collect from the legal owner as described in subdivision (2) of subsection (A) of this section or the legal owner’s agent, any administrative charges imposed pursuant to Section 22850.5, unless the legal owner voluntarily requested a post-storage hearing.
      2. Notwithstanding any provision of law, if a motor vehicle is released prior to the conclusion of the impoundment period because the driver was arrested without probable cause, neither the arrested person nor the registered owner of the motor vehicle shall be responsible for the towing or storage charges.
   C. Payment of storage charges.
      1. A person operating or in charge of a storage facility where vehicles are stored pursuant to this section shall accept a valid bank credit card or cash for payment of towing,
storage, and related fees by a legal or registered owner or the owner’s agent claiming the vehicle. A credit card or debit card shall be in the name of the person presenting the card. For purposes of this section “credit card” is as defined in subdivision (a) of Section 1747.02 of the Civil Code. Credit card does not include a credit card issued by a retail seller.

(a) A person operating or in charge of a storage facility described in paragraph (1) who violates paragraph (1) shall be civilly liable to the owner of the vehicle or the person who tendered the fees for four times the amount of the towing, storage, and related fees not to exceed five hundred dollars ($500).

(b) A person operating or in charge of the storage facility described in paragraph (1) shall have sufficient funds on the premises of the primary storage facility during normal business hours to accommodate, and make change for, a reasonable monetary transaction.

(c) Credit charges for towing and storage services shall comply with Section 1748.1 of the Civil Code. Law enforcement agencies may include the costs of providing for payment by credit when making agreements with towing companies on rates.

(d) A failure by a storage facility to comply with any applicable conditions set forth in this subdivision shall not affect the right of the legal owner or the legal owner’s agent to retrieve the vehicle if all conditions required of the legal owner or the legal owner’s agent under this subdivision are satisfied.

D. Proof of vehicle ownership.

1. The legal owner or the legal owner’s agent shall present to the law enforcement agency, impounding agency, person in possession of the vehicle or any person acting on behalf of those agencies, a copy of the assignment, as defined in subdivision (b) of Section 7500.1 of the Business and Professions Code, a release from the one responsible governmental agency, only if required by the agency, a government-issued photographic identification card, and any one of the following whether or not paperless or electronic, showing proof of legal ownership for the vehicle as determined by the legal owner or the legal owner’s agent:

   (a) a certificate of repossession for the vehicle,
   (b) a security agreement for the vehicle, or
   (c) title.

2. Any documents presented may be originals, photocopies, or facsimile copies, or may be transmitted electronically.

3. The law enforcement agency, impounding agency, or other governmental agency, or any person acting on behalf of those agencies, shall not require any documents to be notarized. The law enforcement agency, impounding agency, or any person acting on behalf of those agencies may require the agent of the legal owner to produce a photocopy or facsimile copy of its repossession agency license registration issued pursuant to Chapter 11 (commencing with Section 7500) of Division 3 of the Business and Professions Code, or to demonstrate, to the satisfaction of the law enforcement agency, impounding agency, or any person acting on behalf of the those agencies that the agent is exempt from licensure pursuant to Section 7500.2 or 7500.3 of the Business and Professions Code.

E. Administrative costs.

1. Administrative costs authorized under subdivision (a) of Section 22850.5 shall not be charged to the legal owner of the type specified in subdivision (2) of subsection (A) of this section, who redeems the vehicle unless the legal owner voluntarily requests a post-storage hearing. A city, county, city and county, or state agency shall not require a legal owner or a legal owner’s agent to request a post-storage hearing as a requirement for release of the
vehicle to the legal owner or the legal owner’s agent. The law enforcement agency, impounding agency, or any person acting on the behalf of those agencies, shall not require any documents other than those specified in this paragraph.

2. The legal owner or the legal owner’s agent shall be given a copy of any documents he or she is required to sign, except for a vehicle evidentiary hold log book. The law enforcement agency, impounding agency, or any person acting on behalf of those agencies, or any person in possession of the vehicle, may photocopy and retain the copies of any documents presented by the legal owner or legal owner’s agent.

3. The legal owner shall indemnify and hold harmless a storage facility from any claims arising out of the release of the vehicle to the legal owner or the legal owner’s agent and from any damage to the vehicle after its release, including the reasonable costs associated with defending any such claims.

F. Release of impounded vehicle to legal owner.

1. A legal owner, who meets the requirements for release of a vehicle pursuant to subsection (A) paragraph 2 of this section, or the legal owner’s agent, shall not be required to request a post-storage hearing as a requirement for release of the vehicle to the legal owner or the legal owner’s agent.

(a) A legal owner, who meets the requirements for release of a vehicle pursuant to subsection (A) paragraph 2 of this section, or the legal owner’s agent, shall not release the vehicle to the registered owner of the vehicle or an agent of the registered owner, unless the registered owner is a rental car agency, until after the termination of the impoundment period.

(b) Prior to relinquishing the vehicle, the legal owner may require the registered owner to pay all towing and storage charges related to the seizure and impoundment.

G. Release of impounded rental vehicles.

1. A vehicle removed and seized pursuant to an ordinance adopted pursuant to this section shall be released to a rental car agency prior to the end of the impoundment period if the agency is either the legal owner or registered owner of the vehicle and the agency pays all towing and storage fees related to the seizure and impoundment of the vehicle.

2. The owner of a rental vehicle that was seized under an ordinance adopted pursuant to this section may continue to rent the vehicle upon recovery of the vehicle. However, the rental car agency shall not rent another vehicle to the driver of the vehicle that was seized until the impoundment period has expired.

3. The rental car agency may require the person to whom the vehicle was rented to pay all towing and storage charges related to the seizure and impoundment. (Ord. 7181 § 1, 2012; Ord. 6780 § 1, 2005, (part); Ord. 6648 § 1, 2003)

Section 9.30.110  Recovery of monetary loss.

Nothing in this chapter shall preclude an owner of a nuisance vehicle subject to seizure and impoundment who suffers a monetary loss from the impoundment of a vehicle under this chapter from recovering the amount of the actual monetary loss from the person who committed the act giving rise to the nuisance that resulted in the seizure and impoundment. (Ord. 7181 § 1, 2012; Ord. 6780 § 1, 2005 (part))

SPECTATORS PROHIBITED AT ILLEGAL SPEED CONTESTS OR EXHIBITIONS OF SPEED

Sections:

9.31.010 Statement of purpose and intent.

9.31.030 Violation.

Section 9.31.010 Statement of purpose and intent.

The Council for the City of Riverside finds and declares that pursuant to California Vehicle Code Section 23109, motor vehicle speed contests and exhibitions of speed conducted on public streets and highways are illegal. Motor vehicle speed contests and exhibitions of speed are more commonly known as street races or drag races.

Streets within the City of Riverside have been the site of continuing and escalating illegal street racing over the past several years. Such street racing threatens the health and safety of the public, interferes with pedestrian and vehicular traffic, creates a public nuisance, and interferes with the right of private business owners to enjoy the use of their property within the City of Riverside. The illegal street races occur on a regular basis on various streets within the City. Hundreds of racers and spectators gather on these streets late at night and in the early morning hours, blocking the streets and sidewalks to traffic, forming a racetrack area, placing bets, and otherwise encouraging, aiding, and abetting the racing process.

Illegal street racers accelerate to high speeds without regard to oncoming traffic, pedestrians, or vehicles parked or moving nearby. The racers drive quickly from street to street, race for several hours, and then move to other locations upon the arrival of the police. Those who participate in this illegal activity are very sophisticated, using cell phones, police scanners, and other electronic devices to communicate with each other to avoid arrest. They also use the Internet to provide information on where to race, and give advice on how to avoid detection and prosecution. Traffic accidents, property crimes, and calls for police service have increased dramatically.

In most cases, illegal street races attract hundreds of spectators. The mere presence of spectators at these events fuels the illegal street racing and creates an environment in which these illegal activities can flourish. This section makes evidence of specified prior acts admissible to show the propensity of the defendant to be present at or attend illegal street races, if the prior act or acts occurred within three years of the presently charged offense. This section is adopted to prohibit spectators at illegal street races with the aim of significantly curbing this criminal activity. The section targets a very clear, limited population and gives proper notice to citizens as to what activities are lawful and what activities are unlawful. In discouraging spectators, the act of organizing and participating in illegal street races will be discouraged. (Ord. 6779 §1, 2005(part))

Section 9.31.020 Definitions.

"City" shall mean the City of Riverside.

"City Attorney" shall mean the City Attorney of the City of Riverside or that person's designated Supervising Deputy City Attorney or Deputy City Attorney.

"Exhibition of speed" shall mean either any exhibition of speed referred to in California Vehicle Code Section 23109(c), or a willful act of showing off or displaying a dangerous or
imprudent speed in a vehicle on a public street or highway where the presence of another person is known to the driver or may be reasonably anticipated by the driver. In order to constitute an exhibition of speed under this alternative definition, there must be at least two spectators present at the event.

"Motor vehicle" shall mean a motor vehicle as that term is defined in California Vehicle Code Section 415.

"Preparations" for a speed contest or exhibition of speed include, but are not limited to, situations in which:

1. A group of motor vehicles or individuals has arrived at a location for the purpose of participating in or being spectators at the event;
2. A group of individuals has lined one or both sides of a public street or highway for the purpose of participating in or being a spectator at the event;
3. A group of individuals has gathered on private property open to the general public without the consent of the owner, operator, or agent thereof for the purpose of participating in or being a spectator at the event;
4. One or more individuals has impeded the free public use of a public street or highway by actions, words, or physical barriers for the purpose of conducting the event;
5. Two or more vehicles have lined up with motors running for a speed contest or exhibition of speed;
6. One or more drivers is revving his engine or spinning his tires in preparation for the event; or
7. An individual is stationed at or near one or more motor vehicles serving as a race starter.

"Spectator" means any individual who is present at a speed contest or exhibition of speed, or at a location where preparations are being made for such activities, for the purpose of viewing, observing, watching, or witnessing the event as it progresses. Spectator includes any individual at the location of the event without regard to whether the individual arrived at the event by driving a vehicle, riding as a passenger in a vehicle, walking, or arriving by some other means.

"Speed contest" shall mean either any speed contest referred to in California Vehicle Code Section 23109(a), or a contest or event where a vehicle is raced on a public street or highway against another vehicle, a clock, or other timing device. In order to constitute a speed contest under this alternative definition, at least two vehicles must be assembled or a least two spectators must be present at the event. An event where the time to cover a prescribed route of more than 20 miles is measured, but where the vehicle does not exceed the speed limit is not a speed contest.

"Vehicle" shall mean a vehicle as that term is defined in California Vehicle Code Section 670. (Ord. 6779 §1, 2005 (part))

Section 9.31.030 Violation.

(a) Any individual who is knowingly present as a spectator, either on a public street or highway, or on private property open to the general public without the consent of the owner, operator, or agent thereof, at a speed contest or exhibition of speed is guilty of an infraction for the first and second offense, and a misdemeanor for the third offense and for each subsequent offense thereafter; to be charged and prosecuted by the City Attorney, subject to the discretionary authority provided under Section 1.01.110 of the Riverside Municipal Code.

(b) Any individual who is knowingly present as a spectator, either on a public street or highway, or on private property open to the general public without the consent of the owner, operator, or agent thereof, where preparations are being made for a speed contest or exhibition of speed is guilty of an infraction for the first and second offense, and a misdemeanor for the
third offense and for each subsequent offense thereafter; to be charged and prosecuted by the City Attorney, subject to the discretionary authority provided under Section 1.01.110 of the Riverside Municipal Code.

(c) An individual is present at a speed contest or exhibition of speed if that individual is within 200 feet of the location of the event, or within 200 feet of the location where preparations are being made for the event.

(d) Exemption: Nothing in this section prohibits law enforcement officers or their agents from being spectators at speed contests or exhibitions of speed in the course of their official duties. (Ord. 6779 § 1, 2005 (part))

Section 9.31.040 Relevant circumstances to prove a violation.

Notwithstanding any other provision of law, to prove a violation of Chapter 9.31, admissible evidence may include, but is not limited to, any of the following:

(a) the time of day;
(b) the nature and description of the scene;
(c) the number of people at the scene;
(d) the location of the individual charged in relation to any individual or group present at the scene;

(j) that the individual charged previously was present at a location where preparations were being made for a speed contest or exhibition of speed or where an exhibition of speed or speed contest was in progress. (Ord. 6779 § 1, 2005 (part))

Section 9.31.050 Admissibility of prior acts.

The list of circumstances set forth in Section 9.31.040 is not exclusive. Notwithstanding California Evidence Code Section 1101(a), evidence of prior acts may be admissible to show the propensity of the defendant to be present at or attend a speed contest or exhibition of speed, if the prior act or acts occurred within three years of the presently charged offense. These prior acts may always be admissible to show knowledge on the part of the defendant that a speed contest or exhibition of speed was taking place at the time of the presently charged offense. Further, these prior acts may always be admissible to prove some fact relating to motive, opportunity, intent, preparation, plan, identity, or absence of mistake or accident, as otherwise provided by Evidence Code Section 1101(b); when relevant to the offense charged. Prior acts are not limited to those that occurred within the City of Riverside. (Ord. 6779 § 1, 2005 (part))

Permits shall be issued upon determination of the Chief of Police that the owner or owners of said real property concerned, or the person or persons in lawful possession thereof, have consented in writing to the proposed operation, and that the proposed operation will not create any undue fire hazard by reasons of the nature of the vehicle and its proposed operation or by reason of the nature of the property concerned, and that such operation is of sufficient distance from occupied residences, churches, assembly halls or schools as to likely not constitute a noise, dust or fumes nuisance. (Ord. 5320 § 5, 1985; Ord. 3802 § 1 (part), 1971; Ord. 3777 § 1 (part), 1970)

The operation of said vehicles shall not be permitted nearer than two thousand feet to any residential structure, church, assembly hall or school. Each permit so issued shall specify the area or areas of permitted operation. The permit shall be displayed on the vehicle at all times and shall be presented to any peace officer on request. The permit is not, and shall so state on its face, an expression by the City that such proposed operation can be done with safety to the operator or other persons or property, all of which said risks are assumed by the permittee or property owners. (Ord. 3802 § 1 (part), 1971; Ord. 3777 § 1 (part), 1970)

The City Council shall thereupon conduct a hearing on said appeal within thirty days from the date of filing said notice of appeal with the City Clerk. The decision of the City Council shall be final and conclusive upon all persons concerned. (Ord. 5320 § 6, 1985; Ord. 3802 § 1 (part), 1971; Ord. 3777 § 1 (part), 1970)

Section 9.32.080  Separability.

If any section, subsection, sentence, clause or phrase of this chapter is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of the chapter. The City Council declares that it would have passed this ordinance, and each section, subsection, clause or phrase thereof, irrespective of the fact that any one or more other sections, subsections, clauses or phrases may be declared invalid or unconstitutional. Section 9.48.070 Exemptions from disclosure.

The following materials, persons or entities shall be exempt, as specified, from the disclosure requirements under this chapter:

B. Hazardous substances contained in food, drug, cosmetic or tobacco products which are maintained by the business for resale purposes.

C. Any person using or handling less than five hundred pounds, fifty-five gallons per
year, or two hundred cubic feet at standard temperature and pressure for compressed gas, whichever is the lesser, of a hazardous material shall be exempted from the requirement of disclosure of that use or handling unless the Fire Chief has provided notice that the weight or volume limits of this exemption for a specific hazardous material has been lowered in response to public health concerns.

The exemption of this subsection shall not apply to the using or handling of carcinogens except to the extent that such carcinogens are handled or used solely for personal purposes.

D. Hazardous material contained solely in a consumer product for direct distribution to, and use by, the general public is exempt from the business plan requirements of this chapter unless the Fire Department has found, and has provided notice to the business handling the product, that the handling of certain quantities of the product requires the submissions of a business plan, or any portion thereof, in response to public health, safety or environmental concerns.

E. Any person, while engaged in the transportation of hazardous materials, including storage directly incident thereto, provided that such materials are accompanied by shipping papers prepared in accordance with the provisions of Title 49, Code of Federal Regulations, Subchapter c.

F. No MSDS shall be required for any hazardous substance for which an MSDS is not available at the time disclosure is required; provided, however, that such MSDS shall be submitted to the Fire Department within fifteen days after receipt by the user of the MSDS.

G. The Fire Department may, in exceptional circumstances, following notice and public hearing, exempt from the inventory provisions of this chapter any hazardous substance listed in Parts 172 and 173 of Title 49 of the Code of Federal Regulations if the Fire Department finds that the hazardous substance would not pose a present or potential danger to the environment or to human health and safety if the hazardous substance was released into the environment. The Fire Department shall specify in writing the basis for granting any exemption under this subsection. The Fire Department shall send a notice to the office within five days of the effective date of any exemption granted pursuant to this subsection.

H. The Fire Department, upon application by a handler, may exempt a handler under the conditions it deems proper from any portion of the business plan upon a written finding that the exemption would not pose a significant present or potential hazard to human health or safety or to the environment or affect the ability of the Fire Department and emergency rescue personnel to effectively respond to the release of a hazardous material and that there are unusual circumstances justifying this exemption. The Fire Department shall specify in writing the basis for any exemption under this subsection.

I. The Fire Department upon application by a handler may exempt a hazardous material from the inventory provisions of this chapter upon proof that the material does not pose a significant present or potential hazard to human health and safety or to the environment if released into the workplace or environment. The Fire Department shall specify in writing the basis for any exemption under this subsection.

J. The Fire Department shall exempt a business operating a farm for purposes of cultivating the soil or raising or harvesting any agricultural or horticultural commodity from filing the information with the exception of the inventory in the business plan if all the following requirements are met:

Said resolution shall include a schedule of penalties to be assessed for the late filing of any disclosure form. (Ord. 5569 § 1, 1987; Ord. 5134 § 1, 1983)

Section 9.48.090 Trade secrets.
A. If a user believes that a request for information made by either the disclosure form or otherwise pursuant to this chapter involves the release of a trade secret, the user shall so notify the Fire Department in writing. As used herein, trade secret shall have the meaning given to it by Section 6254.7 of the Government Code and Section 1060 of the Evidence Code.

B. Subject to the provisions of this section, the Fire Department shall protect from disclosure any trade secret coming into its possession when requested to do so in writing by the user.

2. To any physician where the physician determines that such information is necessary to the medical treatment of his or her patient.

D. For the purposes of this section, fire and emergency response personnel and County Health personnel operating within the jurisdiction of the City shall be considered employees of the City.

E. Any contractor with the City and any employee of such contractor, who has been furnished information as authorized by this section, shall be considered to be an employee of the City for purposes of this section. Any physician who has been furnished information or who has obtained information pursuant to subsection (C)(2) of this section and who, knowing that the disclosure of the information is prohibited, knowingly and willfully discloses the information, shall be guilty of a misdemeanor.

F. Information certified by appropriate officials of the United States, as necessarily kept secret for national defense purposes, shall be accorded the full protections against disclosure
as specified by such officials or in accordance with the laws of the United States.

TARGETED RESIDENTIAL PICKETING PROHIBITED

9.54.010 Legislative purpose.
9.54.020 Definitions.
9.54.030 Prohibition on targeted residential picketing.

Section 9.54.010 Legislative purpose.

The purpose of this Chapter is to reasonably regulate the time, place and manner of picketing activity targeted at a particular residential dwelling. The regulations are content neutral and are intended to protect against the devastating affect of targeted picketing on the quiet enjoyment of the home. These regulations are not intended to and do not restrict the rights of free speech or alternative channels of communication. The ordinance leaves ample room for dissemination of ideas in a general way through marches, demonstrations, and placards employed in residential neighborhoods and other places, provided individuals are not targeted within 300 feet of their home. In developing this ordinance, the City Council has been mindful of legal principles relating to the regulations of targeted residential picketing. The City Council has considered decisions of the United States Supreme Court, including but not limited to: Frisby vs Schultz (1988) 487 U.S. 474, and Village of Belle Terre vs Boraas (1974) 416 U.S. 1, 9; several California cases, including but not limited to: City of San Jose vs Superior Court (1995) 32 Cal.App.4th 330; Sundance Saloon, Inc. vs City of San Diego (1989) 213 Cal.App.3d 807; and, Concerned Citizens of Murphys vs Jackson  (1977) 72 Cal.App.3d 1021. The recent California Appellate Court decision in the City of San Jose vs Superior Court, referenced above, supports the language of this Chapter on its face and in its application as a content neutral time, place and manner restriction. Consistent with the City of San Jose decision, the City Council has reasonably chosen this 300 foot buffer zone to provide a minimum degree of protection to the residents of targeted homes. The minimum standard lot frontage for single family residences in the City is 60 feet pursuant to Municipal Code Section 19.10.050(5). Many lots have larger frontages. At most, therefore, the 300 foot buffer zone keeps pickets from within five homes on either side of the targeted residence. (Ord. 6337 § 1, 1996)

Section 9.54.020 Definitions.

For the purposes of this Chapter, the following meanings shall apply:

A. The term, "residential dwelling" means any permanent building being used by its occupants solely for non-transient residential uses.
B. The term "targeted" picketing means picketing activity that is targeted at a particular residential dwelling and proceeds on a definite course or route in front of or around that particular residential dwelling. (Ord. 6337 § 1, 1996)

Section 9.54.030 Prohibition on targeted residential picketing.

A. No person shall engage in picketing activity that is targeted at and is within three hundred feet of a residential dwelling.
B. This chapter does not and shall not be interpreted to preclude picketing in a residential area that is not targeted at a particular residential dwelling. (Ord. 6337 § 1, 1996)
Section 9.54.040 Penalty.

Any person violating the provisions of this Chapter shall be guilty of a misdemeanor, punishable as set forth in Riverside Municipal Code Section 1.01.110 thereof. (Ord. 6337 § 1, 1996)

Section 9.54.050 Severability.

If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this ordinance. The City Council of the City of Riverside hereby declares it would have adopted this ordinance and each section, subsection, sentence, clause, phrase or portion thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases or portion may be declared invalid or unconstitutional. (Ord. 6337 § 1, 1996)

Each such person may be charged with a separate offense for each and every day, or any portion thereof, during which any violation of Section 9.55.030 is committed, continued, or permitted by such person; and shall be deemed punishable therefore as provided in this chapter. Section 9.58.010 Findings And Purpose.

Abandoned shopping carts constitute a nuisance, create potential hazards to the health and safety of the public, and interfere with pedestrian and vehicular traffic within the City of Riverside. The accumulation of wrecked, dismantled and abandoned shopping carts on public or private property also tends to create conditions that reduce property values, promoting blight and deterioration in the City. The intent of this Chapter is to insure that measures are taken by store owners to prevent the removal of shopping carts from store premises and parking lots, to make the removal of shopping carts a violation of this Code, and to facilitate the retrieval of abandoned carts as permitted by State law. Further, this Chapter is intended to supplement existing State law regarding shopping carts as set forth in California Business & Professions Code, section 22435, et seq. (Ord. 6820 § 1, 2005; Ord. 6502 § 1, 1999)

Section 9.58.020 Definitions.

a. Cart. Cart shall mean a basket which is mounted on wheels or a similar device provided by a business establishment for use by a customer for the purpose of transporting goods of any kind, including, but not limited to grocery store shopping carts. This definition shall exclude from enforcement under this Chapter those devices which do not have a "basket" mounted on wheels in which goods can be placed for transport.

b. Owner. Owner shall mean any person or entity, who in connection with the conduct of a business, owns, leases, possesses, uses, or otherwise makes any cart available to customers or the public. For purposes of this chapter, owner shall also include the owner's on-site or designated agent that provides the carts for use by its customers.

c. Premises. Premises shall mean the entire area owned and utilized by the business establishment that provides carts for use by customers, including any parking lot or other property provided by the owner for customer parking.

d. Abandoned cart. Any cart that has been removed without written permission of the owner or on-duty manager from the premises of the business establishment, regardless of whether it has been left on either private or public property. Written permission shall be valid for
Section 9.58.030 Enforcement of Chapter.

The provisions of this Chapter shall be enforced by any enforcement personnel. To the extent otherwise permitted by law, said enforcement personnel may enter onto any public or private property in the City to retrieve, remove, store, and dispose of any lost, stolen, or abandoned shopping cart, or any part thereof. Any act authorized to be performed by the City of Riverside pursuant to any provision of this Chapter may be performed by any enforcement personnel. Any enforcement personnel are authorized to issue an administrative citation upon any owner whom they have reasonable cause to believe has violated any provision of this Chapter. (Ord. 7192 § 1, 2012; Ord. 6820 § 1, 2005; Ord. 6502 § 1, 1999)

a. It shall be unlawful to either temporarily or permanently remove a cart from the premises or parking area of a business establishment without the express prior written approval of the owner or on-duty manager of the business establishment. Written permission shall be valid for a period not to exceed 72 hours.

b. It shall be unlawful to be in possession of a cart that has been removed from the premises or parking area of a business establishment unless it is in the process of being immediately returned to the owner or business establishment.

9.60.080 Severability.

Section 9.60.010 Findings.

The City Council finds as follows:
A. The false reporting of an emergency or of a criminal offense unreasonably diverts vital and critical public safety resources.
B. Owners and/or occupants of certain businesses and properties utilize a disproportionate amount of public safety resources thereby diverting these critical resources from other parts of the City.
C. Moreover, owners and/or occupants of certain businesses and properties require extraordinary police services in response to criminal and/or nuisance activities associated with the use and/or occupancy of the premises.
D. It is in the public interest for those who misuse police and fire resources by falsely reporting an emergency or a criminal offense or who utilize a disproportionate amount of public safety resources and require extraordinary police services or responses to be liable for the costs incurred by the City. (Ord. 7013 § 1, 2008)

Section 9.60.020 Authority And Purpose.

This Chapter is adopted pursuant to the authority granted in Article XI, Section 5(a) of the California Constitution, Section 200 of the Riverside City Charter, and Section 53158 of the California Government Code. The effective and efficient provision of public safety services including, police, ambulance, and fire safety services is a “municipal affair” appropriate for regulation by the City of Riverside.

This Chapter is adopted for the purpose of recovering all of the costs expended in responding to and investigating false reports of an emergency or of a criminal offense. This Chapter is further adopted for the purpose of holding owners and occupants of certain businesses and properties responsible for the extraordinary police services or responses caused by criminal and/or nuisance activities associated with these properties and to deter or prevent future extraordinary police responses to these businesses or properties and the diversion of critically-important public safety resources. (Ord. 7013 § 1, 2008)

Section 9.60.030 Definitions.

The following definitions apply to this chapter:
“False report” means either:
1. A person reports to the City that an “emergency” exists, knowing that the report is false.
2. A person reports to a Riverside Police Officer or to the Riverside Police Department
that a felony or misdemeanor has been committed, knowing the report to be false.

“Emergency” means any condition that results in, or could result in, the response of a public official in an authorized emergency vehicle or aircraft.

“Emergency response” means the dispatch of one or more police officers to a business or property for a disturbance at the property. A response to a security or fire alarm under Riverside Municipal Code Chapters 5.58 or 5.59 does not constitute an “emergency response” under this Chapter.

“Extraordinary police service or response” means any of the following:
1. The response of three (3) or more police officers and a supervisor to a single emergency response; or
2. The second (2nd) emergency response to the same business or property within a thirty (30) day period; or
3. The third (3rd) emergency response to the same business or property within a ninety (90) day period.

Chapter 9.70
ECOATM MACHINES AND OTHER SIMILAR DEVICES OR MACHINES

Sections:

9.70.010 Findings.
9.70.020 Authority and Purpose.
9.70.030 Definitions.
9.70.040 EcoATM Machines and other similar machines prohibited.

9.70.010 Findings.
The City Council finds as follows:
A. EcoATM is a kiosk machine that allows people to sell their cell phones, mp3 players, and tablets in exchange for an immediate cash distribution or charitable donation.
B. EcoATM employs security features to both deter and catch thieves selling stolen devices.
C. EcoATM requires the consumer to swipe a valid government issued ID, provide a valid thumbprint, and allow the machine to take their photograph. Whenever “technically possible” ecoATM also logs the serial number of each personal electronic device involved in a transaction.
D. EcoATM machines are responsible for a rise in violent and non-violent theft of personal electronic devices in cities permitting the machines, such as Washington D.C., El Cajon, Glendale and San Diego. Examples of such incidents include the following:
   1. In March of 2013, the Washington D.C. police reported that 40% of all forced robberies in the last year involved a cell phone. In a recent investigation, the D.C. police discovered six stolen cell phones inside ecoATM machines. The Police have even video recorded thieves using an elderly woman as a middleman to complete the ecoATM transaction.
   2. In April 2013, El Cajon Police expressed concern about ecoATM machines contributing to the rise in cell phone theft. Two teenagers, ages 14 and 15, were arrested for six cell phone thefts in which the teenagers sold the phones to ecoATM machines for quick cash.
   3. San Diego Police also reported a marketed rise in cell phone theft since the installation of ecoATMs. From January 2011 to March 2013, there were 270 cell phone thefts on the streets of the City and some of the stolen phones were later found inside ecoATM machines.
   4. In May of 2013, news anchors Jeff Rossen and Avni Patel from the Today Show on NBC tested the security features of ecoATM in one of their “Rossen Reports” specials. The reporters sent two NBC producers to two different ecoATM machines and told them to switch IDs. Although the producer looked nothing like the picture in the ID, both ecoATM machines approved the transaction and dispensed cash for the deposited phone.
   5. In July of 2013, Glendale Police reported several instances where juvenile suspects sold stolen devices to an ecoATM machine using the identification of others (adults) that looked nothing like the person using the machine. The stolen devices had already been exchanged for cash by the time the devices were reported stolen to the police.
E. EcoATM’s security features cannot successfully deter thieves; the machine does not have the technology to verify whether the valid government issued ID, fingerprint, and photograph collected by the machine belong to the person completing the transaction and whether the person is the true owner of the device being sold.
F. There is no security device that ecoATM could install to catch thieves who use third parties or “middlemen” to complete the transaction.
G. Theft of personal electronic devices is already a growing problem in the City of Riverside even without the addition of ecoATM machines. On April 4, 2013, the University of California Riverside held a town meeting to discuss campus safety and the rise in cell phone theft.

H. Currently, there are no ecoATM locations in the City of Riverside. It is reasonable to conclude that the adverse effects of ecoATM machines on the public health, safety, and welfare of other cities will certainly occur in the City of Riverside if the City fails to prohibit the machines. The incentive that these machines create far outweighs the benefits derived from their security features. The security features of the ecoATM machines fail to deter and aid in prosecuting thieves. Theft of personal electronic devices is on the rise in the City and will likely increase from the quick and easy cash incentive provided by ecoATM machines. (Ord. 7227 § 1, 2013)

9.70.020 Authority and Purpose.
A. This Chapter is adopted pursuant to the authority granted to the City of Riverside in Article XI, Section 5(a) and Section 7 of the California Constitution, and Section 200 of the Riverside City Charter.
B. The purpose and intent of this Chapter is to protect public health, safety, and general welfare of the residents of the City of Riverside. (Ord. 7227 § 1, 2013)

9.70.030 Definitions.

“Consumer electronic device” means any cell phone, mp3 player, tablet, or other similar device or machine. (Ord. 7227 § 1, 2013)
