CELEBRATING CULTURES: HOLIDAY POMANDER BALLS Mission Inn Museum

Join the Mission Inn Museum as we celebrate cultures that influenced the beautiful art and architecture of the Mission Inn. This month, we will be celebrating the Christmas holiday season and creating delicious smelling pomander balls! These decorations, made from oranges studded with sweet smelling cloves, have been used to bring winter cheer to homes in England for many years. Mission Inn Founder Frank Miller held an appreciation for the refinement of English culture, and incorporated many English traditions into the style and service at his hotel. In fact, some of the bells in Mr. Miller's extensive collection were acquired during trips to England!

'TIS THE SEASON: SCULPT, SING, CREATE! Riverside Art Museum

Coil Bowls, Pinch Pots, and More! Let UCR Gluck Fellow Chelsea Rector teach you how to sculpt with clay and let your imagination go wild...!
