### **Commercial Burglaries**

**Riverside, CA** – Over the past two years, the City of Riverside have experienced a series of commercial burglaries occurring inside laundry rooms at various apartment complexes throughout the city. The suspects are primarily targeting the cash transaction-laundry money machines, which are referred to as an “Add Value Station,” and are stealing money from these machines between midnight and the morning hours. Surveillance cameras have captured the suspects during the commission of these crimes on a few occasions.

It’s likely these same suspects are responsible for committing similar commercial burglaries throughout the Los Angeles County, Orange County, San Bernardino County, and Riverside County areas.

Detectives from the East NPC Investigation Division are investigating these crimes and are seeking the public’s help in identifying the suspects. The suspects are described as either Caucasian or Hispanic males, in their late 20’s to late 30’s.

The victim business is offering a reward, up to \$2,500, for information that leads to the arrest and conviction of the suspects involved in these thefts.

Anyone with information regarding the identification of the suspects is advised to contact Riverside Police Detective Lavall Nelson at 951-826-5388.
