21ST ANNUAL EL PROTECTOR SOCCER CLINIC

Riverside, CA – On October 15, 2016, The El Protector Coalition and Riverside Police Foundation are holding their 21th annual El Protector Soccer Clinic from 8:00 a.m. to 2:00 p.m. at Villegas Park, located at 3091 Esperanza Street, in Riverside. The El Protector Coalition consists of the Riverside Police Department, University of Riverside Police Department, California Highway Patrol, Riverside County Sheriff's Department, Corona Police Department, Riverside City College Police and the University of California, Riverside.

The goal of this program is to bring public education and outreach programs to the Spanish speaking community. Each year since its inception in 1995, we have been able to entertain and educate our youth through the presentation of our annual "Soccer Clinic." For the past 20 years, El Protector has hosted this clinic and played the roles of coaches and mentors. This has helped build character and teach sportsmanship, while delivering our most important message, "*Be Cool, Stay in School.*" As a non-profit program, El Protector has relied upon donations from individuals, city and county entities, as well as corporate sponsors. The people involved coordinating this program do so on a voluntary basis. Their rewards come by way of the hundreds of smiles that greet us each year as we take the field. This year we will take the field for a full day of fun, food, soccer, entertainment, police and public safety displays, and educational workshops for the parents. This event is entirely free to all.
