## CHIEF'S COMMUNITY-POLICE PARTNERSHIP SUMMIT

Dear Community Partner:

The Riverside Police Department enjoys valued partnerships with many individuals and organizations who represent a broad cross-section of our community. To give an update, and to hear directly from members of the public, I am holding the Chief's Community-Police Partnership Summit – a town hall meeting to brief the community on progress mid-way through the Strategic Plan 2004-2009.

We consulted with the community when we created the Strategic Plan and we want to report and receive feedback on how we've been doing.

I invite you to meet our current Command Staff, see the comprehensive 2007 Chief's Report, get a short, update presentation of activities and innovations under the Strategic Plan and, most importantly, take part in comments, questions and answers with the public.

**The partnership summit meeting will be held at the Copenbarger Room of the Yeager Center at California Baptist University, 8432 Magnolia Ave., Riverside, from 7-9 p.m., on Wednesday, February 20.**

Since unveiling the Strategic Plan, we talk about our philosophy of a triad partnership of Police, City leadership and the community, working together as 'co-producers of public safety.' We are always stronger, and more effective in promoting public safety and quality of life, when we listen to each other.

I look forward to having you join us. Please call Steven Frasher, Adjutant to the Chief of Police, at (951) 826-5147, with questions, to RSVP, or to make arrangements for special needs.

Sincerely,

Russ Leach  
Chief of Police
