

# 2011 Neighborhood Leadership Academy

Critical to the success of any neighborhood improvement effort is the effective leadership of key residents who can guide their neighbors in community wide decision making. Selected applicants will develop the skills and networks essential to neighborhood improvement – *and it's FREE!*

## WHO?

Residents who are currently committed to improving the quality of life in their neighborhoods and actively involved in a neighborhood organization, Neighborhood Watch, City Boards and Commissions, PTA, church group or other qualifying community associations are invited to apply. Thirty-six applicants will be selected.

## WHAT?

Experienced trainers facilitate interactive workshops on:

- Asset-Based Community Development
- City Hall 2011
- What kind of leader are you
- Cultural Diversity
- Presentation Skills and Meeting Management
- You are already a leader
- Fundraising for non-profits & Community groups
- All about the Riverside Neighborhood Partnership
