GRANT OF LICENSE

The Grantor, CITY OF RIVERSIDE, a municipal corporation, hereby grants to THE REGENTS OF THE UNIVERSITY OF CALIFORNIA, a corporation, Grantee, a revocable license to construct, use, maintain, alter, repair, replace and/or remove pipelines across Pennsylvania and Canyon Crest Avenues for the expansion and improvement to the Citrus Research Center Irrigation and Runoff Salvage System. Said construction shall be placed at the location shown and in accordance with Sheets 2, 11 and 13 of Albert A. Webb Associates Plans for University of California at Riverside Project No. 905051.

This license is not an exclusive license and in no way limits the Grantor in the use of its land for street purposes. The Grantee agrees to remove all of said improvements at the expense of the Grantee if required by the Grantor. The Grantor may direct the relocation of this improvement to a new location at the expense of the Grantee if the Grantor so requires.

IN WITNESS WHEREOF, the Grantor has executed this instrument this 19th day of APRIL 1965.

Honorable City Council
City of Riverside
City Hall
Riverside, California

Gentlemen:

The University of California at Riverside, in connection with the expansion and improvement to the Citrus Research Center Irrigation and Runoff Salvage System, proposes to construct pipelines across Pennsylvania Avenue and Canyon Crest Avenue, which are under the jurisdiction of the City of Riverside. Enclosed please find one print each of Sheets 2, 11, and 13 of Drawing No. 61-191, which show the proposed construction.

The Macco Corporation has previously taken out an excavation permit for this work. We would appreciate receiving from the City of Riverside a permanent permit for these facilities, at your earliest convenience. Thank you.

Sincerely yours,

ALBERT A. WEBB ASSOCIATES
