

Today is March 3, 1976
and it's a great day!

Mr. John W. Bryant, Chief Engineer
Riverside County Flood Control
District
P. O. Box 1033
Riverside, CA 92502

Attention: Bill Holsinger

Re: Magnolia Avenue Leveling and
Median Reconstruction, W. City
Limits to Jackson

Dear Mr. Bryant:

Attached is a set of approved plans for the above referenced project. Please review these plans with regard to the following items:

1. Are Flood Control facilities plotted properly?
2. Can we perform the indicated work (circled in red) under the terms of your existing easements from the Southern Pacific Railway Company? This matter was discussed between Mr. Bill Holsinger and Mr. George Hutchinson.

Upon your review, please issue an encroachment permit for the required connections on behalf of the City.

Very truly yours,

J. F. MARTINEK
Public Works Director

WILLIAM D. GARDNER
Chief Public Works Engineer

Application for Encroachment Permit

TO: Chief Engineer
Riverside County Flood Control
and Water Conservation District
Post Office Box 1033
Riverside, California

March 3, 1976, 19⁷⁶

Dear Sir:

The undersigned hereby applies for permission to excavate, construct and/or otherwise encroach on Riverside County Flood Control and Water Conservation District right of way by performing the following work:

Perform work in conjunction with the planned Magnolia Avenue leveling project
(Applicant will describe here fully what he wishes to do, using reverse side or extra sheets if necessary)

as shown on the attached plans. Work consists of constructing catch basins, median drains, and local drainage facilities and connecting them to RCFCWCD storm drains.

on the Riverside County Flood Control and Water Conservation District Right of Way in the County
of Riverside T3S R6W Section 13,14 T3S R5W Section 18

(Applicant will state here accurately the location of the work which he desires to do, giving Township, Range, Section, and Flood Control or Water Conservation project name.)

and agrees to do the work in accordance with your rules and regulations and subject to your inspection and approval, as shown on the attached drawings. (Two sets of detailed plans required, showing location, profile, and typical section)

City of Riverside
Applicant will print or type name of Company

Applicant will sign name and title
