1/2" Gravel	1000

- GENERAL NOTES:**
- It shall be the responsibility of the contractor to clear the right of way in accordance with the provisions of law as it affects each utility including irrigation lines and appurtenances and at no cost to the City.
 - Construction shall be in accordance with the City of Riverside, Department of Public Works, Standard Drawings, and the Standard Specifications for Public Works Construction, 1976 Edition.
 - All proposed elevations shown shall be stated in the field by the private engineer.
 - All elevations shown thusly (840.00), represent existing elevations.
 - The contractor shall contact the Public Works Dept. two weeks prior to beginning construction to negotiate the cost of the city's portion of the work.
