- GENERAL NOTES:**
1. It shall be the responsibility of the Contractor to clear the right of way in accordance with the provisions of law as it pertains to each utility, including irrigation lines and appurtenances and at no cost to the City.
 2. Construction shall be in accordance with the City of Riverside Department of Public Works Specifications No. 461 and Standard Drawings.
 3. Trim edge of existing paving where new paving joins existing pavement to clean straight line. Construct match-up paving as shown and overlay paving as directed in field to produce smooth crown section.
 4. Prime coat and paint binder are required.
 5. The City of Riverside will make a soil test to determine the requirement on imported base material after the streets have been prepared to rough grade.
 6. All trees in right of way to be removed.
