A: Background checks will not be required as the work will not take place in an area where the children will be.
- Q: Will the contractor need to sign in every day?
A: Yes – the contractor will need to sign in at the front counter daily when the center is open for business.
- Q: Will the building be unoccupied for a break at Christmas?
A: The building will be closed for break from December 25 through January 3. The City's goal is to do the work during this time, to minimize the impact to the programs.
