# SMALL AND MICRO BUSINESS GRANT

## What is it?

The Riverside Small & Micro Business Grant Program is designed to support local small business resiliency with **grant awards of up to \$25,000 for qualified businesses**. In addition to direct financial support, all applicants will have the opportunity to participate in a FREE one-on-one Business Resiliency Consultation to identify opportunities for improvement and build customized strategies to increase financial stability, long-term sustainability, and capacity for success.
