62. Narrative of Supplemental Report

On the above date and time, while assigned as the Field Operations East Supervisor, I monitored a radio call in which staff at the listed school were reporting S/1 had arrived and was creating a disturbance related to picking up his child. It was relayed that S/1 was becoming more aggressive and had begun battering school staff. I directed two units to respond code 3 to the school and attempt to intercept S/1. I then monitored that S/1 had potentially barricaded himself inside a classroom with a teacher. I arrived onscene and immediately assisted in taking control of the scene. I was advised of S/1's location and the possible hostage situation. Sgt. Tipre also arrived onscene and we began to develop a plan which included an arrest / contact team and setting a perimeter around the location where S/1 was barricaded. I then directed units to begin evacuating the students and staff from surrounding classrooms. All students and staff were evacuated without incident. I remained onscene until I was relieved by Lt. Crawford. This concludes my involvement in this incident. No further information.
