62. Narrative of Supplemental Report		59. Recovered Auto Value A2 \$ _____

Evidence:
Coban MCS audio / video recording

Narrative:
On 07-20-18, at approximately 1946 hours, RPD broadcasted a vehicle pursuit with a suspect shooting at officers from his vehicle. The pursuit was headed NB 215 from Nuevo Rd (City of Perris) and towards the City of Riverside. The vehicle entered into the City of Riverside at Van Buren / NB 215. RSO requested for RPD to assume the pursuit as it was in our City. RPD Lt. Warren authorized for RPD units to take over the pursuit.

I proceeded from Magnolia Station to the front of the pursuit at Arlington Ave / Streeter Ave. Air1 advised the suspect vehicle was driving against traffic WB Arlington Ave in EB lanes approaching Madison St. I parked my marked police vehicle facing NB Streeter Ave to prevent EB traffic at California Ave from crossing into the oncoming pursuit. I exited my vehicle to obtain my Stop Stick from my unit's trunk. At the time RPD Air1 advised over the radio that the suspect vehicle was ramming his vehicle into cars as he was stuck in traffic.

As I positioned myself to the front of my vehicle, I heard a gun shot. I noticed multiple RPD officers approach the suspect vehicle. I began to evacuate bystanders from the area. Once the area was clear, I proceeded to the intersection of California Ave / Jefferson St for traffic control. I remained working traffic control until relieved.

NOTE: I was unable to activate my Coban BCS during the incident as my attention was on getting bystanders to safety. By the time myself and bystanders were clear from direct line of fire, I was needed to conduct traffic control away from the scene. I later advised Sgt. Munoz.
