## Supplemental Report

PAGE 1 OF 1

REPORT ID # \_\_\_\_\_

DR# **18-6879**

1 On 07/20/2018, at approximately 1934 hours, I responded to assist officers reference a vehicle  
2 pursuit. Pursuing officers advised the occupant of the vehicle they were pursuing fired several  
3 shots at them in the area of California Avenue and Devonshire Avenue.

4  
5 At approximately 1958 hours, I responded to the intersection of California Avenue and  
6 Devonshire Avenue to secure the scene, attempt to locate any evidence, and assist with traffic  
7 control. Upon arrival, I parked my patrol unit at Isla Street and California Avenue to block  
8 oncoming traffic onto California Avenue. I then walked to the intersection of Devonshire Avenue  
9 and California Avenue to direct traffic away from the scene. Hard barricades, cones, and flares  
10 were set in place to shut down the intersection of California Avenue and Devonshire Avenue.  
11 While at my post, no vehicle traffic or foot traffic entered the crime scene, and I was properly  
12 relieved by Officer Florez and CSO Addison at approximately 2214 hours.

13  
14 Additionally, I walked California Avenue from Devonshire Avenue to Florida Avenue to attempt to  
15 locate any evidence; however no evidence was found.

16  
17 I request this Supplemental report be attached to the Initial Report (CR18-7117).
