9. DVD of pursuit radio traffic. Barcode 2077961.
10. DVD of photos from the scene on Van Buren and I-215 in Riverside. Barcode 2078285.

Items 1-4 were located by Deputy Albert Pulido #3938 (refer to his supplemental report for details). He photographed them in place and I collected them and placed them in separated envelopes. Overall photos of the scene were not taken.

Overall photographs and close-up photographs of items 5-8 were taken by Forensic Technician Erica Hayward. She then marked each item with a number plaque and photographed them in place before collecting them.

I took possession of the items collected by Hayward and booked them into evidence at the Perris Station.

1 **Details:**

2 On July 20, 2018, at 2030 hours, I received a phone call from Sgt. Gary LeClair, who informed me
3 that Sgt. Sam Morovich and Deputy James Ray, Special Enforcement Team (SET) K-9, responded
4 to assist Hemet Police Department patrol officers in a pursuit after an 11-99 call for help. A vehicle
5 pursuit ensued that was traveling westbound on Highway 74 in Menifee. Deputy Ray joined the
6 pursuit at Highway 74 and 3rd St. and relayed that the suspect was shooting at the pursuing patrol
7 cars. Sgt. LeClair assigned me to the crime scene on Highway 74 between 3rd St. and the I-215
8 freeway where Levario shot at pursuing vehicles.

9
10 I arrived at the scene on Highway 74 and Trumble, Menifee, at about 2145 hours and found that the
11 road was closed at the intersection of Highway 74 and Trumble and the traffic was being diverted
12 northbound on Trumble. I also saw that the northbound I-215 onramp was closed too. I met with
13 Deputy Mark Buelna, who said he and the deputies from Perris Station SET searched the roadway
14 from 3rd street where Deputy Ray joined the pursuit to the entrance of the freeway for any evidence
15 related to this incident. He said they found four spent 9mm casings (evidence items 1-4) on the
16 north dirt shoulder of Highway 74 and west of Trumble Rd.

17
18 While surveying the scene, I received a phone call from Deputy Ray, who described what he
19 remembered from the pursuit. He said that after hearing the 11-99 he began responding from the
20 city of Perris to 3rd St. and Highway 74 where he joined the pursuit and saw a muzzle flash coming
21 from the suspect's vehicle. He said that as they passed Trumble Rd. he saw several more muzzle
22 flashes as the car continued westbound onto the I-215 onramp. He said Sgt. Morovich was on
23 Highway 74 in the eastbound lane, under the I-215 overpass, when the suspect's vehicle was
24 entering the onramp when Levario discharged his firearm in his direction and the pursuit continued
25 northbound on the I-215 freeway.

26
27 I asked Deputy Ray if any of our cars were struck by gunfire and he said they were not.

28

29

1 Based on the location of the four casings located at the scene, the direction of travel of the vehicle
2 pursuit and the description from Deputy Ray, I wanted to be sure the casings located by the SET
3 deputies were related to this incident, therefore, we completed another search of the area from
4 Trumble westbound onto the northbound I-215 onramp but did not locate any additional evidence.

5
6 At about 2300 hours, I notified Sgt. LeClair that we completed the search for evidence and he asked
7 me to collect the items and to meet with him at Van Buren and the I-215 off ramp.

8
9 Upon arriving to Van Buren and the I-215, I noticed that the offramp was closed by California
10 Highway Patrol and Forensic Technician Erica Hayward was on scene. Prior to my arrival, she had
11 photographed the evidence and collected it. I met with Hayward, who described the evidence she
12 collected as a 40-caliber spent casing and three copper projectile fragments. I took possession of
13 the items she collected and booked it into evidence at the Perris Station.

14
15 After completing my investigation, I learned that the pursuit continued west bound on Van Buren
16 Blvd. in Riverside. The pursuit was taken over by the Riverside Police Department (RPD), which
17 eventually ended in an Officer Involved Shooting (OIS).

18
19 On July 24, 2018, I contacted RPD and spoke with Detective Karla Beler, lead investigator for the
20 OIS, who confirmed the name and age of the suspect as Arthur Cornejo Levario (DOB: 05/31/73).
21 She informed me that her department did not have body worn camera (BWC) video or dashcam
22 video of the incident. She said she also spoke with Hemet Police Department Detective Matt
23 Gomez, who confirmed his department did not have video of the incident.

24
25 Detective Beler asked for a copy of our radio traffic during the pursuit, which I obtained and
26 forwarded to her. I also booked a copy of the recording in evidence at the Perris Station.

27
28 I spoke with Sgt. Morovich and learned there was no BWC camera video of the pursuit or the
29 shooting. He said that he along with all the SET members have BWC, but they were not turned on
30 during the pursuit. I asked him if anyone was injured during the pursuit and said no one was injured.

1 On July 23, I canvassed the area between highway 74 from 3rd St. to Trumble Rd. but none was
2 found.

4 At the time this report was submitted, there have not been any reports from the public of damage to
5 private property.
