Good afternoon Detective Belser,

Attached is the radio/telephone audio and associated CAD log you requested from CHP – Inland. CAD log lines 1-26 were handled by CHP – Border. Unfortunately, you'll have to request audio from them directly, as I don't have access to their voiceprint. Border Communications supervisors' line is (858) 637-3860.

I hope this helps,

California Highway Patrol

Inland Communications Center
13892 Victoria Street
