Subject: ***Prohibition on the Use of Official City of Riverside Insignia
on Campaign Literature***

Dear Candidate:

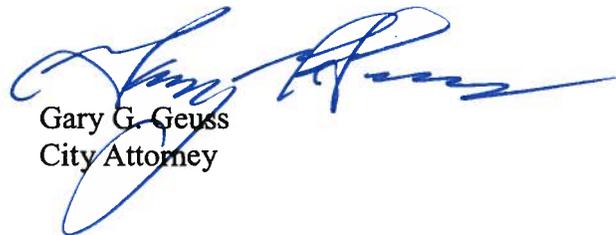

As you may be aware, state law prohibits the use of public monies and resources for political purposes. State law further prohibits the use of a city seal in a manner which creates a misleading, erroneous, or false impression that the document is authorized by the City of Riverside. The Riverside Municipal Code also prohibits the use of its official seal and all City logos or insignia for anything other than official City business.

Therefore, please be advised that the City seal and all City logos and insignia including those set forth below, represent the City of Riverside and several of its departments, and their use has not been authorized for reproduction in any campaign literature.

Should you have any questions with respect to the use of City insignia which may represent the City of Riverside and may be prohibited for use in any campaign literature, I would encourage you to contact our office prior to the use of such insignia.

Very truly yours,

Gary G. Geuss
City Attorney
