Narrative:

On 12-29-16, at approximately 2030 hours, I responded to 2769 Mary St, within the City and County of Riverside to assist at the scene. While on-scene I assisted by maintaining scene security and keeping passerby's out of the area. Below is a picture of the approximate location where I was working.

While on-scene, I received a phone call from Homicide Detective O'Boyle, who asked me to search the nearby area for a possible set of nunchaku. I searched the area and noticed what appeared to be a set of nunchaku made out of two separate pieces of copper and a metal chain. I notified Detective O'Boyle and evidence technicians arrived on-scene to both photograph and collect the evidence. Below is the approximate location of where I found the nunchaku.

I left the scene at approximately 0057 hours.
