Interview of Witness Joseph Barrio

I interviewed Witness Barrio by phone. The interview was digitally recorded and later downloaded to the department server.

Barrio said that on 6/12/13, at approximately 11:00 p.m., he was driving south on Van Buren Blvd. He was stopped at the red light where Van Buren intersects with the westbound 91 freeway off-ramp.

Barrio said he looked to his left and saw a car in the center divider and there was smoke coming from under the hood. He assumed the car had crashed. He saw the driver get out of the car and walk to the rear of the car. He then saw another black male get out of the passenger side of the car and stumble to the ground.

Barrio said that the black male passenger stood up from the ground and started walking. He said he immediately saw the black male holding a handgun in his right hand. He saw the black male put the gun in the front pocket of his shorts and continue walking towards the Chevron.

Barrio said his light turned green so he drove off and immediately called 911. He said he was going to get out and help the people in the car until he saw the man with the gun.

Barrio described the black male with the gun as young and weighing about 150 pounds. He said the male was wearing a black or navy blue t-shirt and white shorts. He said he did not get a good look at his face to identify him.

Barrio described the gun as a handgun, most likely a revolver. He said he did not know for sure if it was a revolver or semi-automatic, but he said he believed it was a revolver because it had a long skinny barrel.

No further.
