664/187 PC on Peace
Officer

File # P09008550
Forensic Tech. S. Lane #1580

On 01/17/09 at approximately 2000 hours, I was notified by Sergeant G. Masson to respond to the above-mentioned location for a shooting investigation. I arrived at the location and met with Detectives R. Cobb, R. Wheeler, D. Smith and Supervising Forensic Technician C. Fuller for briefing. I began my video of the scene at approximately 2318 hours. I assisted Fuller with measurements of the scene.

On 01/18/09 at approximately 0018 hours, at the request of Det. Wheeler, I cleared the scene and responded to the Magnolia Station to photograph and chart the weapons of the Officers involved in the incident. I took overall photographs and charted the weapons for Officers David Taylor #432, Jeremy Miller #1565, Jeremy Russell #1458 and Stephen Quinn #1535. I collected Officer D. Taylor's service weapon and ammunition and labeled them WL002 through WL005 (see attached Photo Log, Evidence Log and Semi-Auto Pistol Chart Form for further information). I finished my assignment at approximately 0320 hours and placed all evidence items into my secured evidence locker. I downloaded (54) digital photographs into a secure file format.

On 01/21/09 at approximately 0730 hours, I retrieved evidence items WL001, WL004 and WL005 from my secured evidence locker for processing. I made a CD copy of my video of the scene. I labeled it WL001A. I released evidence items WL001, WL001A, WL004 and WL005 to Police Property Specialist N. Jaggar at approximately 0950 hours.

At approximately 0850 hours, I received a request from Detective R. Wheeler to transport evidence items SF-03, SF-03a, SF-03b, WL002 and WL003 to the Department of Justice Riverside Criminalistics Laboratory at 7425 Mission Road Riverside. I received evidence items SF-03, SF-03a and SF-03b from Police Property Specialist N. Jaggar at approximately 0947 hours and placed them into my secured evidence locker. At approximately 1200 hours, I retrieved evidence items SF-03, SF-03a, SF-03b, WL002 and WL003 from my secured evidence locker. I arrived at the location and released all evidence items to Assistant Laboratory Director Steve Secofsky at approximately 1245 hours (Ref. BFS Case# RI-09-0530. See attached Submission Form). I finished my assignment and left the location at approximately 1252 hours.

No further action was taken.
