**Narrative of Supplemental Report:**

On 01/20/2009, at approximately 1300 hrs, I started to process evidence items SF-03, SF-03A & SF-03B at the Magnolia Station. I treated those items with Cyanoacrylate fumes and Bi-chromatic fingerprint powder. No latent prints were observed or developed. I then proceeded to collect swab samples from the magazine (SF-04), from the gun upper slide (SF-05), from the trigger (SF-06), and from the grip/handle (SF-07). I packaged and booked all evidence items SF-01 through SF-07 into Property Clerk Jessie Pinedo at 1517 hrs. I took close-up photographs of the head-stamps from items SF-03A and SF-03B at the request of Detective R. Wheeler. Refer to attached Photo Log. No further action was taken.

### EVIDENCE LOG
