**Narrative of Supplemental Report:**

On 1/23/2009, at approximately 0825 hrs, I responded to 2974 Lime at the request of Detective Dave Smith to process that scene for additional evidence. I arrived at the scene and contacted the home owner who directed me to the rear garage located at that location. I then proceeded to take photographs of that scene, the damage to the garage and wood pieces in the rear of the Blue Ford Ranger CA License # [REDACTED] Refer to attached Photo Logs. I then identified a copper jacketed projectile located in the interior garage floor. I documented, collected and labeled that Item CF-01. I completed a diagram of the garage and will add it to the original diagram. Refer to attached Evidence Log and Property Report. I was assisted by Sr. Tech. Tim Ellis.
