Narrative

On 1/18/12, Officer's Miranda and Espinoza came to the Magnolia Station to look at the following evidence items recovered at the crime scene:

- Item RL20 – White metal jack handle.
- Item RL22 – Black metal pipe.

The officers were accompanied by their attorney, Peter Horton.

After looking at the pipes, both officers had no further information to add to their statements regarding this incident.

Later that day, I spoke to Officer Putnam, who was not able to look at the same evidence items. He told me that he did not need to look at the pipes and he would have no further information to add to his statement regarding this incident.

No further
