**Narrative:**

On 2/23/15 at approximately 2200 hours I was called out for an officer involved shooting investigation. I responded to the area of Pleasant and Park St in the City of Riverside, CA where I was briefed on the incident. Detectives Cobb and Wheeler were assigned as the case agent and co-case and I was assigned to process the crime scene at 2786 Pleasant St with ID Tech Susan Lane. I was advised during the brief that residence was where the suspect entered and ultimately shot himself. I contacted O/ James Dottery to the front of 2786 Pleasant St. He had previously been interviewed by patrol officers. See their supplemental reports for details. O/ Dottery is the owner of the residence. I explained that we (RPD) needed to conduct an investigation into the incident and asked him for permission to search his residence and collect the evidence we needed. O/ Dottery was very cooperative and gave permission for the search of his residence. O/ Dottery signed an RPD Permission to Search form. See attached. The listed personnel conducted a walk thru of the scene.

**Crime Scene:**

The residence at 2786 Pleasant St. in the City of Riverside, CA is located on the south side of Pleasant St, two residences east of Grove St. Pleasant St runs east and west and the residence is between Grove St and Forrest St. There are street light on the north and south sides of Pleasant St. There was a black pick-up truck (8V22431) and white Chevy Monte Carlo (6SRG093) parked to the front of the residence. There was a white Ford Mustang (7DTW688) parked in the driveway and a silver Ford van (5GAK501) parked in the garage.

The residence at 2786 Pleasant is a single story home with white stucco and blue trim. The numbers 2786 are in black on the front door. The residence has four bedroom and two bathrooms. There is a family room when you first walk in the front door, two bedrooms and a bathroom to the right, a kitchen and living room with a couch and TV just south of the family room. There is a hallway off the living room that leads to two bedrooms (including the south bedroom) and a bathroom. The residence also has an attached garage with a door that leads into the living room area. The residence was extremely dirty and the bathroom in the south hallway was not working. There was trash throughout the residence.

The south bedroom had two beds, a dresser with a television on top and a desk. There were clothes and other misc. items scattered throughout the room. The door was open and there was possible blood smears on the door and on the west wall in the hallway. There was bloody human tissue and blood spatter on the door, hallway

wall, on the north and west walls inside the room and on the ceiling. There were teeth located behind the door and on the beds.

S/ Lewis was lying on his back with his head in a southeast direction and his feet towards the door. S/ Lewis had a large gunshot wound under his chin and to the left side of his face. S/ Lewis' left eye was missing. There was a large pool of blood around S/ Lewis' head. There was a shotgun located on S/ Lewis' right side.

ID Tech Susan Lane started by videotaping the scene. She started at the intersection of Pleasant and Grove and videotaped east to the residence at 2786 Pleasant. ID Tech Lane videotaped the inside of the residence and then took overall photographs of the area and the residence. I conducted a search of the area outside and inside the residence. I walked east along Pleasant St from Park St where the suspect was last seen running. I was unable to locate any evidence other than inside the far south bedroom and hallway of 2786 Pleasant where S/ Lewis was found deceased. ID Tech Lane took close up photographs inside the south hallway and south bedroom. Deputy Coroner Rissi also took photographs of the residence and the deceased. Deputy Coroner Rissi left the scene while the investigation continued. ID Tech Lane took swabs of possible blood smears (Evidence item RL02) on the door leading into the south bedroom. ID Tech Lane also took a sample of the blood near S/ Lewis' head (Evidence item RL01). ID Tech Lane collected a Maverick Arms 12 gauge shotgun (Serial #MV83441T) (Evidence item RL03) that was located next to S/ Lewis' right side. The shotgun was up against the bed and the barrel was pointed north towards the door to the room. The butt of the shotgun was next to S/ Lewis' right arm. The shotgun had three red Winchester 12 gauge shotgun rounds (Live) (Evidence item RL03B) in a sleeve attached to the butt of the shotgun. There were no live rounds loaded in the gun. There was expended red Winchester 12 gauge shotgun shell (Evidence item RL03A) located in the chamber of the gun. The shotgun had a light taped to the barrel and the end of the barrel appeared to be damaged.

S/ Lewis was wearing a long sleeve black shirt, blue jeans, blue belt, and grey Nike shoes. S/ Lewis had dirt on the front of his pants and what appeared to be blood on the butt of the pants.

Deputy Coroner Laster and Coroner Tech Zandoval responded to the scene at approximately 0330 hours to remove the deceased from the residence. Deputy Coroner Laster took photographs of the deceased and the shotgun. Deputy Coroner Laster took gunshot residue samples and nail clippings from both S/ Lewis' hands. She then put paper bags on both hands. Deputy Coroner Laster located two more gunshot wounds to S/ Lewis' lower abdomen and to his right buttock. Deputy Coroner Laster collected as much tissue and teeth as she could locate in the room. Deputy Coroner Laster located a live .38 caliber round in S/ Lewis' left front pants pocket and a pack of Newport cigarettes, a lighter and some change in his right front pocket. Deputy Coroner Laster and Zandoval removed the deceased at 0430 hours.

ID Tech Lane transported the evidence to the Magnolia St Station. See her supplemental report for details. I notified O/ Dottery that the residence was clear to return.

I conducted a records check of the shotgun found in the south bedroom, but there was no record on file.
