| On 11-22-13 at approx. 2327 hours I was on duty on uniform patrol. I was at the Lincoln Street station when I heard, via the radio, an officer broadcast "shots fired". The officer, who was later identified as Ofcr. S. Hunt (A137) said he was at 1 st Street and Vine Street. I responded to the scene and contacted Officer Hunt who was with Sgt. D. Foy. Several other officers were also on scene. | | | | | | | | COPIES TO | |
| I saw a tan colored four door car parked in the parking lot of 3020 E. La Cadena. The tan car was facing N/B and we were behind police units west of it. Officer Hunt told me that a suspect, on the passenger side of the car had fired a gun at him. He said he returned fire with his duty weapon and the suspect had dropped out of his sight. He told me he thought the suspect had been shot. There was also a suspect in the driver's seat of the car, but that suspect had not been seen moving. I saw there appeared to be bullet holes in the driver side front and rear door windows. | | | | | | | | VCLO () | |
| I spoke to Sgt. R. Wilson and passed this information to him. He coordinated with other officers and approached the suspect vehicle from behind, while the officers I was with provided cover. Once the | | | | | | | | ACTIONS | |

suspects were taken into custody medical personnel were escorted by officers into the scene to check the down suspect. They determined the suspect had been shot and was dead. The suspect was left at the scene.

I, along with other supervision, directed officers to secure the scene and check the area for witnesses. Police personnel who were no longer needed were removed from the scene. Officers established crime scene logs on the north end and south end of the scene. Any potential evidence was directed to me and left in place. The scene was held until Robbery/Homicide investigation personnel arrived. I briefed the Detectives and Supervision and relinquished the scene to them. Patrol officers remained for scene security and to continue to maintain the scene logs. I left at approx. 0444 hours.
