Narrative of Supplemental Report:

On 11/16/2011, at approximately 0955 hours, Sgt. Dave Amador requested that I respond to the above location to assist with the investigation. I arrived at that location at 1009 hours and met with investigative team. I assigned the crime scene to Forensic Evidence Technician Susan Lane and Sr. Forensic Evidence Technician Tim Ellis to process the scene. I responded back to the Magnolia Station to process the four Detectives and one Sergeant. At the request of Detective Dave Smith, I took photographs of the involved police employees and their weapons. The involved police employees were Sergeant Wayne Ramaekers, Detectives Jeffry Jones, Rita Cobb, Laura Ellefson and Phillip Fernandez. Refer to attached Photo Logs. I charted the police employees' weapons. Refer to attached Weapons Charting Forms. I collected a total of five evidence items. Refer to attached Evidence Log and Property Report. I released all five evidence items to Property Clerk Phillip Trap at 1427 hours at the Magnolia Property Room.

I then responded back out to the crime scene to assist with processing the scene. I arrived at the crime scene at 1445 hours, where I met with Technicians Lane and Ellis. I then assisted with ballistic documentation, projectile recovery, and evidence measurements. I cleared the scene at 2018 hours. No further action was taken.

Note: The first photograph labeled BBG57171 through BBG57212 have time stamps that are off by one hour. That series of photos have time stamps of 12:38:42 through 13:17:40. Those photos should have time stamps of 11:38:42 through 12:17:40. The camera's time was incorrect due to the lack of adjustment for daylight savings time. The remaining photos have the correct time.
