62. Narrative of Supplemental Report 62a. Audio Recording Available? No 62b. Incident Number:

On Sunday, 10-14-12, I was assigned as the North Supervisor. Dispatch advised of a subject with a gun and advised he was suicidal. I responded to the location at 2246 hours. I advised dispatch I would respond to assist Sergeant Lambert.

I went on-scene and attempted to locate the officers that were at the location. As I walked upstairs to the location I heard several gun shots. I stayed on the stairs as not to get into a cross fire situation. After the gun fire stopped Sergeant Lambert advised me to set up a crime scene with an inner and outer perimeter. I responded to my police unit to get crime scene tape. I directed Riverside Fire Department and American Mutual Response into the location. I set up the inner and outer perimeter at the crime scene. As the officers arrived at the location I directed them to stand by their assigned positions, to protect the scene and to start a crime scene log. After the location was secured with tape and the officers with their assignments I left the location. Per Lt. Griffiths I responded to the North/East NPC due to no other Sergeants were available.
