6. New Business

A. Committee Vice-Chair Selection

Commissioner Corral nominated Commissioner Arreola. After minimal discussion, he accepted the post of Committee Vice-Chair.

B. Outreach to Youth

Commissioner Arreola suggested going to the Juvenile Hall and talk to youth there. Chairman Percy asked what would be presented. Commissioner Arreola suggested topics such as how to behave / act when stopped by police, the "right" way to approach a situation when disagreeing with the officer.

Chairman Percy said this type of outreach is more about improving police / community relations, which is more of an HRC function, whereas the Commission's outreach efforts are geared toward educating the public about the Commission and its duties and function. Commissioner Quinto-MacCallum said that, while the intention is good, this type of outreach could put the Commission in a difficult position at some point.

7. Items for Future Committee Consideration

There were no items for future consideration.

The Committee adjourned at 4:03 PM.

Respectfully Submitted,

Phoebe Sherron
Sr. Office Specialist
