

NOTICE

Regarding Street Construction Projects:

To reduce traffic congestion on arterial highways, to minimize air pollution, and the impacts to businesses, weekend or night work may be required.*

Some examples of streets with these restrictions include, but are not limited to:

- Adams Street (Magnolia to Lincoln)
- Alessandro Boulevard
- Arlington Avenue (Adams to Alessandro)
- Canyon Crest Drive
- Central Avenue (Chicago to Route 60)
- Central Avenue (Magnolia to Alessandro)
- Chicago Avenue
- Day Street
- Fourteenth Street (MLK) (Brockton to Route 60)
- Magnolia Avenue
- Tyler Street (Indiana to Hole)
- University Avenue (Market to UCR)
- Van Buren Boulevard

Special Circumstances:

Work hours may be restricted around schools and other similar type facilities.

Traffic Control:

Generally use MUTCD or WATCH manual; however, special cases may require custom traffic control plans.

* Night work is generally Sunday through Thursday 9 p.m. – 5 a.m. *(hours may vary)*
Weekend work is generally from Friday 9 p.m. to Monday 5 a.m. *(hours may vary)*
