PERSONNEL DETAIL

The Personnel Detail serves as the central point of position control for tracking all authorized positions throughout the City. A citywide summary is provided on the following two pages. The detailed pages that follow list each authorized full-time and part-time position by Department and Section.

All positions, both full and part-time, are shown in Full-Time Equivalent (FTE). A Full-Time Equivalent (FTE) is defined as a position that works 2,080 hours per fiscal year. For example, a full-time employee who works 2,080 hours per year would equal 1.00 FTE. A part-time employee who works 1,040 hours per fiscal year would equal 0.50 FTE.

For each authorized position, the following fields are shown in the pages that follow:

1. GL Key – The General Ledger Key for the home Section of the position.
2. PCN – The Position Control Number for the position, which is made up of the following three components:
 - a. Loc – The Location for the position, which is uniquely related to the GL Key for the Section.
 - b. Job – The position’s Job Code, which is uniquely related to the position title.
 - c. Type – The position’s Assignment Number, which represents the type of position and

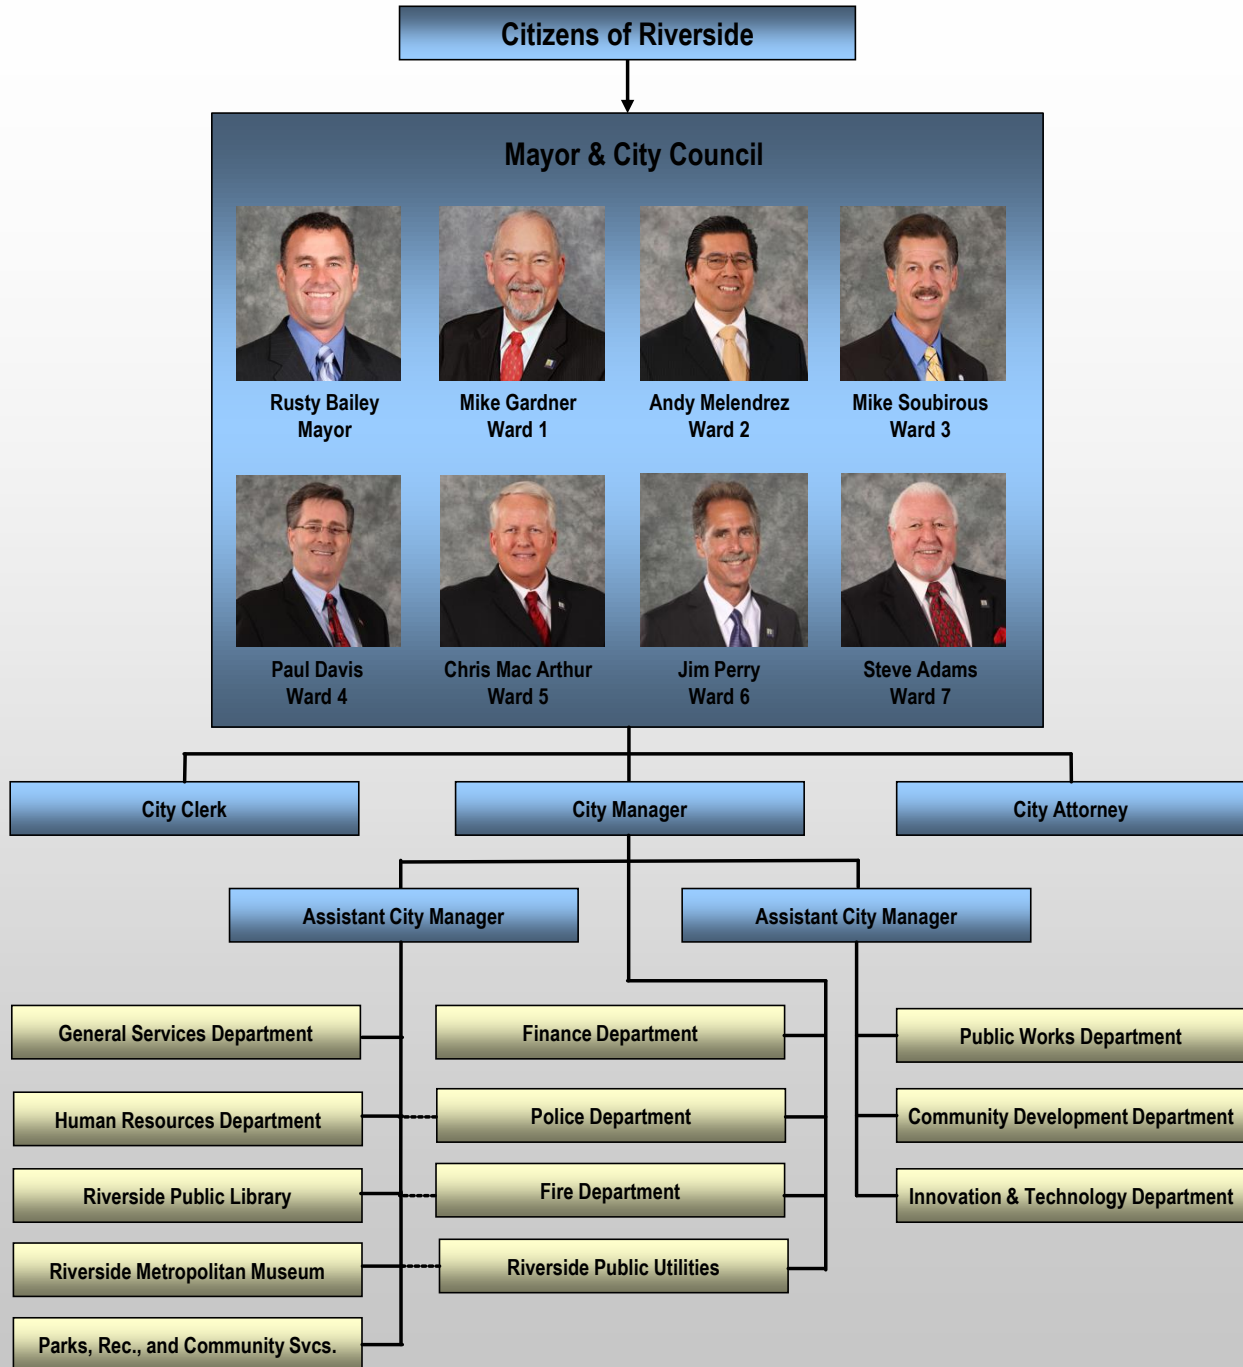

related benefits: F for full-time, benefited; T for $\frac{3}{4}$ time, benefited; H for $\frac{1}{2}$ time, benefited; and N for part-time, non-benefited.

3. Description – The position’s job title.
4. Footnotes – References to footnotes describing changes between the current year’s Annual Budget and the prior year’s Annual Budget.
5. Authorized 2013/14 – The total FTE count for each position authorized at the time of adoption of the prior year’s Annual Budget.
6. Proposed 2014/15 (Authorized) – The total FTE count for each position to be authorized following adoption of the current year’s Annual Budget.
7. Proposed 2014/15 (Funded) – The total FTE count of positions that are currently funded for each authorized position.

The Personnel Detail is updated to reflect City Council actions that have taken place since the previous year’s Annual Budget was adopted, as well as any changes proposed by the City Manager through the budget development process. Position changes previously approved by the City Council will be indicated in the footnotes by the date of the Council action. All other additions, deletions, transfers, or reclassifications are proposed and will become authorized upon the adoption of the Budget by the City Council. All positions that are to be deleted are vacant unless otherwise noted.
