CURRENT SITUATION

(Recent updates are posted at the top of Current Situation)

The City of Riverside Fire Department responded to a reported structure fire in a second floor apartment. The initial report also included the possibility of a trapped occupant. The first arriving officer found smoke showing from the apartment, but the fire had been controlled by one of the residents using a fire extinguisher. The reported trapped person was located outside the apartment. Fire crews checked for extension and investigated the cause of the fire. The cause was deemed to be accidental. There were no civilian or firefighter injuries. The four displaced occupants made arrangements to stay with some of their neighbors.
