CURRENT SITUATION

(Recent updates are posted at the top of Current Situation)

On December 23rd, 2017 at 0053 a.m., The City of Riverside Fire Department responded a 1st alarm structure fire response for reports of a garage on fire in the 11600 block of Hartford. Firefighters arrived to find a residential house with an attached garage with the garage fully involved in fire. Firefighters made an aggressive fire attack and held the fire to the garage. A primary search was completed finding no residents inside of the structure. However, firefighters located a family pet dog in a bedroom who had been overcome by smoke. The dog was removed from the residential house and given oxygen and treated. Friends took the dog to a 24 hour emergency animal hospital in Riverside. The dog was treated and released within an hour and reunited with the owner at the scene. The residential structure received smoke damage throughout the house and is uninhabitable. Two adults resided at the residential structure and will be displaced. Both adults denied Red Cross and will be staying with family and friends. The fire is currently under investigation. Firefighters controlled the fire within 20 minutes of arrival. There were no civilian or firefighter injuries. The estimated loss is at \$150,00 with a save of \$250,000.
