CURRENT SITUATION

(Recent updates are posted at the top of Current Situation)

Riverside City Fire Department responded to a residential gas leak at the 900 block of Linden(UCR family housing apartments). During construction on a playground a 2 inch gas line was hit and started leaking. The pressure was under 60 psi. UCR PD assisted with the evacuation of the apartment complex. There are 136 units in he complex. Residents were advised to evacuate to UCR's student recreational center. RFD on scene standing by while the gas company mitigated the leak. The leak was mitigated and the evacuation was lifted.
