

Fact Sheet

9/11 Victim Compensation Fund (VCF)

\$10+ billion available

EXTENDED TO

2092

BREAKING NEWS: Victim Compensation Fund permanently extended and fully funded.

DID YOU KNOW

9 months of exposure eligibility

If you were in Manhattan below Canal Street and exposed to the World Trade Center toxic dust between September 11, 2001 and May 30, 2002, you may be eligible for free health care and compensation.

CANCERS

68 types of cancers presumed linked to the WTC toxins

Including skin, breast, prostate, thyroid, and many more cancers. Dozens of respiratory illnesses are covered as well.

AT LEAST

8 different groups of eligibility

Rescue workers, recovery workers, cleanup workers, construction workers, survivors caught in the dust cloud (residents, office workers, students, teachers) are eligible to receive compensation and free health care.
