1. Program Overview

The City of Riverside's Down Payment Assistance Program (DPAP) is a homeownership program designed to help low income eligible households with down payment and closing cost assistance to purchase their first home within the City of Riverside.

DPAP funds are allocated on a first come-first served basis, through a formal application process. The program provides first-time homebuyers with necessary purchase assistance for down payment, closing costs, and gap financing. DPAP is available to households earning at or below 80% of the Area Median Income (AMI) for the Riverside County area, with eligibility based upon current and anticipated annual income of all persons that will occupy the home as their primary residence. Purchases must be made within the corporate city limits of Riverside.

2. Down Payment Assistance Program Eligible Expenses

The City of Riverside will provide the buyer(s) with **purchase assistance** funds - down payment, closing costs, and gap financing assistance necessary **to make the home affordable for the buyer(s)**, with the following limitations:

a. Closing Costs and Prepaid Items: (NOT TO EXCEED 3% OF THE FIRST DEED OF TRUST LOAN AMOUNT)

DPA can be used to pay for the buyer(s) customary closing costs. All of the following closing costs are eligible for financing, in some degree, through DPA:

- application fee
- loan origination fee
- title insurance
- title search
- credit report fee
- courier fees
- appraisal fee
- home inspection fees*
- survey fee
- recording fees
- attorney's fees
- 1 year home warranty – residential service contract
- document preparation fee
- discount points
- settlement or closing fee
- hazard insurance*
- property tax*
- interest*
- pest inspection (wood destroying insects)*
- lead paint inspection*

** Limitations on Closing Costs and Prepaid Items: (MAXIMUM 3% OF LOAN AMOUNT)*

- 30 days interest
- 14 months hazard insurance
- Three (3) months property taxes
- Market Rate for Independent Home Inspection and one (1) Re-inspection fee

b. Down Payment: The minimum amount required for a FHA loan is **3.5% of the purchase price** and the maximum allowance for down payment for a **conventional loan** is **5%**. The City's Down Payment Assistance Program requires a **1% down payment**.

c. Gap Financing: Gap Financing is available to all participants¹. Gap Financing is not to be used as a cushion factor to make the loan more appealing to the buyer(s) and/or the participating lender. In most cases, Gap Financing is used to cover the "gap" or difference between the amount of loan the buyer can afford and the price of the selected house.

Gap financing is funding used when the price of the home selected has a purchase price that exceeds the applicant's "buying capacity" OR when the buy-down of the interest rate will enable the buyer to make the purchase.

Gap Financing can only be used for the following purposes:

- Assist in providing the difference between the sales price and the maximum loan the buyer can afford provided that, the selected house has a minimum appraisal equal to the amount of the contracted sales price. Gap funds cannot be used to buy down the price of the house to meet the appraised value.
- Assist in buying down the interest rate enabling the buyer to meet the maximum PITI established making the mortgage payment affordable to the buyer(s).

Under no circumstances will the City of Riverside over subsidize assistance provided to a buyer.

APPENDIX B

FREQUENTLY ASKED QUESTIONS (FAQS)

Loan Terms

- ❖ **How long is the CalHOME loan for?**
 - The loan has a term of 30-years meaning that it will ultimately be paid to the City in 30 years. However, if the property is sold, rented or refinanced at any time, the principal amount of the loan is due.
- ❖ **How long is the affordability period for?**
 - The CalHOME Program does not have an affordability period.
- ❖ **Are there any payments on this loan?**
 - No. The loan will be “silent” and will be completely deferred until sale, rental, refinance, conveyance, or transfer of the property.
- ❖ **Is the CalHOME loan and/or interest forgiven?**
 - No
- ❖ **Does the CalHOME loan term allow refinancing?**
 - The borrower can refinance their first mortgage for the sole purpose of obtaining a lower interest rate. Refinancing the loan in order to take cash out is not allowed and will trigger repayment of the loan.

Income Eligibility

- ❖ **All of my client’s income is from disability. Will they qualify for this loan?**
 - Your borrower may qualify to purchase using this program; however you will need to make sure that all program loan criteria are met.
- ❖ **Can my borrower have a co-signer to meet the housing and debt-to-income ratio requirements?**
 - Unfortunately not. We cannot use the income of anyone who will not be living in the property.
- ❖ **Why can’t I give my borrower an adjustable rate loan on my first mortgage?**
 - The goal of the City is to allow first-time homebuyers to have the most predictable payment for the longest period of time and ARM loans generally conflict with this goal.
- ❖ **Can the 1% Reserve for emergency housing costs be gifted?**
 - No, only 2% of the total homebuyer contribution can be gifted.

Homebuyer Eligibility

- ❖ **My applicant has owned a home before with an ex-spouse during the last 3-years, but the property was sold due to a divorce. Do they still qualify?**
 - Yes, but only if your borrower is a “**Displaced Homemaker**” or a “**Single Parent**”. Documentation will be required.
- ❖ **Can my client qualify with zero credit?**
 - The Program Guidelines require that the Borrower’s credit rating be consistent with FHA guidelines. However, zero credit does not necessarily mean bad credit. This situation will be reviewed on a case-by-case basis and will be determined by City staff.
- ❖ **If my client is not awarded assistance through the Mortgage Credit Certificate Program, do they become ineligible for down payment assistance?**
 - No. The requirement to apply for the Mortgage Credit Certificate (MCC) Program is to provide applicants with an additional means to further ensure affordability on their part. Even if applicants do not receive assistance through the MCC program, they are still eligible to receive down payment assistance.

Property Eligibility

- ❖ **Can my client purchase a home in nearby areas of Riverside County? (i.e. Moreno Valley, Corona, Hemet)**
 - No. This program is restricted only to properties that are within the Riverside city limits. Please contact the city of where the property is listed for down payment assistance programs.
