

## The Trio ACO HMO Network

Trio HMO is powered by a specially selected network of local doctors, specialists, and hospitals all committed to working more closely together. This ensures all aspects of your care are more connected and efficient – keeping your premiums as low as possible in the process.

Like our other HMO plans, with Trio you have a primary care physician (PCP). Your PCP can coordinate your care, treat common illnesses and injuries, and provide a referral if you need to see a specialist.

You can check if your current PCP or other doctors are in the Trio network by visiting [blueshieldca.com/NetworkTrioHMO](https://blueshieldca.com/NetworkTrioHMO). If you don't see them, don't worry – we can help you find new healthcare providers from within our quality Trio network.

### Enhanced customer service with Shield Concierge

Trio HMO gives you access to Shield Concierge – our personalized, coordinated, customer care assistant. One simple phone call connects you to a team of health experts who are ready to answer your health-related questions.

Shield Concierge can help you:

- Transfer medical records and prescriptions
- Find a new doctor or specialist
- Continue receiving care without interruption when switching plans
- Understand your new benefits

# Trio network providers

Blue Shield's Trio network is in 26 California counties beginning January 2020.

(P) = Partial: The Trio network is available only in parts of this county.

(F) = Full: The Trio network is available throughout this full county.

The chart below shows a list of IPA/medical groups available within the Trio service area as well as the hospitals they typically refer to. For a complete list of hospitals available in the Trio network, please use Blue Shield's *Find a Doctor* tool at [blueshieldca.com/NetworkTrioHMO](https://blueshieldca.com/NetworkTrioHMO)

An asterisk (\*) indicates a Trio network affiliated hospital that elevates the level of member care coordination between Blue Shield, medical group/IPA, and the hospital.

The Trio network is subject to change without notice.
