Section 9.2

HEALTH INSURANCE COVERAGE FOR RETIREES

The City will provide a group medical health insurance policy similar to the health insurance carriers currently provided to active employees.

- 9.2.1 The City shall contribute each month toward a retiree medical trust fund to be established by the Association an amount equal to fifty dollars (\$50) for every active employee in this unit of representation who is in a paid status. Until the trust fund has been established, the funds will be deposited by the Association into an interest-bearing account. As soon as the trust has been established, the funds in that account will be transferred by the Association to the trust.
- 9.2.2 Effective January 1, 2008, the City will contribute one hundred dollars (\$100) monthly for every active employee in this unit of representation into said fund.

a cash contribution for the value of the vacation and sick leave benefits contributed to the Trust fund in lieu of making those contributions.

The RPAA has the right to alter the percentage of leave balance contribution from the 80% of the value of the combined vacation and sick leave payout entitled to the employee pursuant to §5.3 of this MOU based upon the employees rate of pay immediately preceding retirement during the course of this agreement, on a uniform basis, for all RPAA members, subject to approval of the its members according to the RPAA's internal rules.

The City's obligation to provide pre-tax deposits would remain subject to Internal Revenue Service rules as they may be revised in the future. Should the Internal Revenue Service later determine that these contributions are no longer permissible on a pre-tax basis, the parties shall meet and confer in good faith to pursue alternative approached for providing comparable benefits. If the parties are unable to reach an agreement, the retiree shall receive the entire vacation and sick leave payout in cash pursuant to Section 5.3 of the MOU.

The parties understand that this amendment shall in no way obligate the City to incur any additional costs or obligations beyond those already set forth in the MOU.

- 9.3.2.8 It is contemplated that retirees who are temporarily disqualified under paragraphs 9.3.2.6 and/or 9.3.2.7 above may, at some time, no longer be ineligible under the criteria of those paragraphs. In such event, if during the period of ineligibility they did not maintain coverage in a City sponsored health insurance program at their own expense, they may apply for readmission to a City sponsored health insurance program for retirees. If the insurer will not let them back in and they qualify for and obtain an individual program of medical insurance, the Fund will make the appropriate contributions to them for so long as they remain insured and eligible. Neither the Association nor the City is a guarantor of readmission or admission to a City sponsored group health plan or to any other health insurance plan.
- 9.3.2.9 The City will not be requested to augment this particular Fund except as follows:
 - 9.3.2.9.1 When the amount in the Fund equals or is less than the equivalent of a one percent (1 %) salary increase for the bargaining unit, the Association may request that the remainder of the Fund be applied one-half to the salary schedule and the other half

revert to the City, or in connection with the next negotiations, propose that a new Fund be established or that the amount in the Fund be increased.

9.3.2.9.2 If the trigger point has been reached (Fund equals 1 % salary increase) and there is a significant chance the Fund may exhaust itself before expiration of the then current Memorandum of Understanding the Association may request a reopener limited to the issues of retiree health insurance fund and salaries.

9.3.2.9.3 Any current employee who retires relying in whole or in part upon the availability of this benefit is not entitled to a continuation of the benefit beyond the funded amount. The continuation of this benefit is subject to the negotiating process and may be terminated through negotiations or by exhaustion of the Fund amount. In such event, the retiree will have no further right or entitlement to a continuation of this benefit. The rights of employees who have retired as of the date of this agreement are subject to the same limitations and conditions.

9.3.2.10 Entering into this agreement neither the Association nor the City is guaranteeing that City sponsored coverage will be available for persons who have retired prior to the effective date of this agreement. If City sponsored coverage is not available for any such retiree, he/she will be entitled to apply the contribution to payment of premiums for another health insurance plan in which he/she is enrolled. This section 9 titled "Health Insurance Fund For Retirees (1991 Plan)" is subject to the savings and separability language of this Memorandum of Understanding and it is understood and agreed that the voiding of one or more components of this program will not automatically void the remaining components of the program.

- 9.3.2.11 A joint Association/City advisory committee will review claims for contributions and decide disputed claims; and shall be provided with periodic reports as to the status of the Fund. The committee will consist of two members appointed by the Association and two members appointed by City management.
- 9.3.2.12 The establishment of this Fund is based on the principle that it is "governmental" and, therefore, exempt from ERISA. Any effort or enactment to bring this Fund under ERISA will cause the immediate dissolution of the Fund with one-half the remaining principal to be distributed in equal lump sums to the participating members and one-half to revert to the City.
- 9.3.2.13 The City's obligation is limited to contributions; it is not a guarantee of coverage. The City reserves the right to provide alternate plans and carriers, including a plan geared specifically for retirees.
- 9.3.2.14 As soon as practicable following the date of agreement, the City and Association shall arrange for the transfer of the then current Fund to the Association pursuant to the Protocol for Transfer and letter from counsel for the Association dated May 10, 1999.
- 9.3.2.15 The City and the RPOA will develop a process (such as the Insurance Advisory Committee) to review and thereafter complete a review of retiree health savings account options. Once completed, the parties may jointly agree to present proposals to City Council for consideration.

9.3.3 Enrollment Provisions for Post 1991 Hires

- 9.3.3.1 Unit members who were hired after July 1, 1991 and who have not already contributed to the RPOA / City of Riverside Fund (hereafter "Fund") either by direct contribution or by deferring the agreed upon percentage of pay shall have a one-time opportunity to participate in the Fund as follows:
 - 9.3.3.2 Between September 1 and September 30, 1998

such unit members may elect to participate in the Fund by authorizing a payroll deduction equal to five percent (5%) of the current gross salary (exclusive of P.O.S.T.) of a top step patrol officer for a period of one (1) year, which sum will be deposited with the Fund. As an alternative, such unit members may elect to make a one-time payment of the total amount into the Fund. A unit member hired after July 1, 1991 who has not yet completed his or her probationary period shall be subject to the conditions of section 9.4.3.4 below.

9.3.3.3 Unit members electing not to contribute shall be deemed to have waived participation in the Fund.

9.3.3.4 Unit members hired after ratification of this agreement shall be provided the same election opportunity as described in paragraph 9.3.3.2 above during the thirty (30) day window period following satisfactory completion of their probationary periods.

9.3.3.5 The Memorandum of Understanding language which provides that eligible employees include retirees from the Police Management Unit "(now known as RPAA),...who were employed under the agreement during a period of salary contribution to the fund, ..." shall apply to unit members electing to contribute and participate under the terms of this section and shall be interpreted to apply to eligible retirees from both the Police Management Unit and the Police Supervisory Unit.

9.3.4 Fund Transfer (1991 Plan)

As soon as practicable the City and Association shall arrange for the transfer of the Retirement Fund (1991 Plan) to the Association pursuant to the Protocol for Transfer and letter from counsel for the Association dated May 10, 1999 both of which are attached as exhibit C. Even though said letter identifies a particular investment brokerage firm to act as investment advisor to the Trust; the parties agree that the Association may utilize any other comparable registered investment advisor firm.

ARTICLE 10: ATTENDANCE AT TRAINING OR SCHOOLS

Section 10.1 ADJUSTED TIME ACCRUAL

Sworn employees of the Riverside Police Department shall be entitled to Adjusted Time, also referred to as "Adjusted Days Off." Accrual and use by RPAA members shall be in accordance with and subject to the provisions of RPD policy.

Adjusted Time will be credited on an hour-for-hour basis to an employee's Adjusted Time Bank for training or approved extra duty occurring outside of the employee's regularly scheduled work hours.

RPAA Members who are assigned to attend training on their regular day(s) off shall only receive Adjusted Time as compensation for those hours.

RPAA members who work approved extra duty assignments on their regular day(s) off may receive Adjusted Time as compensation at the employee's request. Employees who earn Adjusted Time for any reason shall enter that accrual of time into Telestaff for the day on which it was earned. The employee shall enter a notation in the Telestaff system, along with the time entry, describing the training course or other activity for which Adjusted Time was earned.

Section 10.2 DAY-FOR-DAY ADJUSTED TIME

For those employees assigned to an alternative work week schedule, such as a 9/80 or 4/10, Adjusted Time for mandatory training may be credited on day-for-day basis at the discretion of the Training Bureau Commander or the employee's Division Commander. This option shall only apply where the mandatory training hours attended on a particular day constitute at least 80% of the employee's regularly scheduled work hours.

Section 10.3 ADJUSTED TIME USE

Employees should use Adjusted Time within the same 28-day payroll cycle in which it is earned. If extenuating circumstances

prevent an employee from using accrued Adjusted Time within the same 28-day cycle, he or she shall obtain supervisor approval and make arrangements to use that time as soon as practicable thereafter.

Employees may use Adjusted Time subject to the same limitations as discretionary leave banks, including but not limited to minimum staffing concerns and obtaining advanced supervisory approval.

In the event that an employee's preferred day(s) of use are not available, the supervisor shall schedule the employee to use his/her Adjusted Time during any available shift within the 28-day payroll cycle. Whenever possible, the supervisor entering or approving the accrual of Adjusted Time shall schedule its use at the same time.

Employees shall use Adjusted Time first, before any discretionary leave banks are used. Adjusted Time shall be subject to the same FMLA provisions as other leave banks.

Section 10.4 **ADJUSTED TIME BANK LIMITATIONS**

Adjusted Time is non-compensable and has no cash value. The Adjusted Time Bank shall be limited to a maximum accrual of 80 hours. Employees who have reached the 80-hour maximum may not earn additional Adjusted Time until they use their previously accrued Adjusted Time.

Section 10.5 **MEET AND CONFER WAIVER**

The City and the Association waive their rights to compel the other to meet and confer regarding scheduling and/or compensation with respect to attendance at training or school as explained in this Section during the current labor contract negotiations or in connection with a successor Memorandum of Understanding.

Section 10.6 **ADHERENCE TO PROVISIONS**

The above provisions regarding training or school shall be strictly adhered to by police management in all divisions within the Department.

12.1.6 Lieutenants who are not eligible to promote at the time of the announcement, but become eligible within six (6) months of the expiration of the current Captain promotional list, may submit an application and resume for inclusion on the list. However, prior to filling vacant or created positions, the applicant must also be subject to the same interview and review process. Those newly eligible Lieutenants will expire from the two year list at the same time the original list expires and they must reapply as outlined above.

Section 12.2 RECLASSIFICATION POLICY

The City reclassification policy will provide for Unit members that employees who are reclassified will receive a salary increase to the next higher step upon reclassification.

ARTICLE 13: DRUG TESTING

Both parties remain committed to a drug-free workplace. The parties further agree to work together to evaluate and revise RPD's 1997 Drug Testing Policy. The current Drug Policy is found in

Appendix B.

ARTICLE 14: REPLACEMENT OF PERSONAL ITEMS

- 14.1 The City will reimburse Unit members for lost and/or damaged personal items subject to the following conditions:
- 14.2 Such items are required for the job, but not provided by the City.
- 14.3 The items are lost and/or damaged while the employee is on duty, in the course and scope of duty; the loss is not caused by the negligence of the employee.
- 14.4 Total reimbursement per employee pursuant to this policy shall not exceed \$100 per fiscal year. Subject to the same dollar limitation, reimbursement for civilian clothes shall be at the level equal to the comparable uniform component.
- 14.5 Reimbursement shall not be required where the employee's insurance covers the item.
- 14.6 Notwithstanding any of the above, this policy shall not apply to second or back-up weapons or personal vehicles not required by the Department to be utilized.
- 14.7 Utilization of this policy for any one incident constitutes a waiver of the right to pursue reimbursement for that item or incident from the City in other administrative or legal forums; otherwise the existence of this policy does not constitute a waiver of either party's defenses or remedies in connection with additional incidents during the same fiscal year.

ARTICLE 15: GRIEVANCE PROCEDURE

Section 15.1 PURPOSE

To provide employees with an orderly procedure for processing a grievance. The current M.O.U. for the bargaining unit should be referenced as to specific language.

Section 15.2 DEFINITION

A grievance is an allegation by an employee that the employee has been adversely affected by a violation, misinterpretation, or

misapplication of the specific written provisions of a Memorandum of Understanding, the City's salary and fringe benefit resolutions, or the City's written personnel policies and procedures.

Section 15.3

POLICY

Regular employees shall use the hereinafter prescribed procedure for grievances arising out of the administration of ordinances or regulations dealing with personnel, salary, or other benefits, any alleged improper treatment of an employee, or any alleged violation of commonly accepted safety practices and procedures.

15.3.1 Representation - An employee may be represented at all stages of the grievance procedure by himself/herself or, at his/her option, by a representative.

In this grievance procedure, any reference to grievant means grievant, his/her representative, and/or a bargaining unit.

15.3.2 Time Limits - The time limits herein are maximum time limits; however, time limits may be extended by mutual agreement.

15.3.2.1 In the event the grievant fails to meet a time limit, such failure shall constitute a waiver of the grievance.

15.3.2.2 In the event the City fails to meet a time limit, such failure shall allow the grievant to proceed to the next level of the grievance procedure.

15.3.3 Arbitration Costs and Selection –

15.3.3.1 Only for Association approved actions, the cost of the services of a hearing officer/arbitrator, including but not limited to fees, per diem expenses and travel and sustenance expenses will be borne by the losing party. If the identity of the losing party is not clear from the award, and/or the parties disagree on who is the losing party, they may request the arbitrator to designate the losing party for purposes of this clause. All other costs shall be borne by the party incurring them. For the purpose of this agreement, a decision by a hearing officer/arbitrator which rescinds a demotion or termination will be considered a loss by the City.

15.3.3.2 Only for Association approved actions, prior to requesting the hearing officer/arbitrator, the Association shall deposit with the City \$3,000 to be used to pay all or a portion of the cost described above. If the Association or Association member is deemed not to be the losing party the deposit will be returned by the City within 30 days of receipt of hearing officer/arbitrator's decision. Without this deposit, both parties agree that a hearing will not be scheduled, regardless of circumstances.

15.3.3.3 If the parties are unable to agree upon a hearing officer or arbitrator, hearing officers and arbitrators shall be selected from a panel submitted by the California State Conciliation Service; each party shall alternately strike names until there is one remaining.

- 16.3 Any unit member who is not a member of the Association or who does not make application for membership within thirty (30) days following the effective date of this paragraph, or, for those hired after the effective date of this paragraph, within thirty (30) days from the date of commencement of duties, shall become a member of the Association or pay to the Association a fee in an amount equal to the Association's periodic dues; provided, however, that the unit member may authorize payroll deduction for such fee in the said manner as provided in paragraph 16.2
- 16.4 Dues withheld by the City shall be transmitted to the Association Officer designated in writing by the Association as the person authorized to receive such

- 16.5 The parties agree that the obligations herein are a condition of continued employment for unit members. - 16.6 The City shall not be obligated to put into effect any new, changed or discontinued deduction until the pay period commencing fifteen (15) work days or more after such submission.
- 16.7 No unit member shall be required to join the Association or to make an agency fee payment if the unit member is an actual verified member of a bonafide religion, body, or sect which has historically held conscientious objections to joining or financially supporting employee organizations; this exemption shall not be granted unless and until such unit member has verified the specific circumstances. Such employee must, instead, arrange with the Association to satisfy his/her obligation by donating the equivalent amount to one of the non-labor, non-religion charitable funds, tax exempt under Section 501 (c) (3) of the Internal Revenue Code, listed below:

In the event the unit member fails to cure said delinquency, the Association shall request, in writing, that the City initiate termination proceedings. The termination proceedings shall be governed by applicable state laws and are specifically excluded from the Grievance Procedures Agreement.
- 16.9 The City shall not deduct monies specifically earmarked

for a PAC or other political activities unless such deduction is affirmatively, separately and specifically authorized in writing by the unit member.

- 16.10 The Association shall keep an adequate itemized record of its financial transactions and shall make available annually to the City and, upon request to the employees who are members of the Association, within sixty (60) days after the end of its fiscal year, a detailed written financial report thereof In the form of a balance sheet and an operating statement, certified as to accuracy by its President and Treasurer or corresponding principal officer, or by a Certified Public Accountant. A copy of financial reports required under the Labor-Management Disclosures Act of 1959 or Government Code Section 3546.5 shall satisfy this requirement.
- 16.11 This organizational security arrangement shall be null and void during the period following expiration of this Memorandum of Understanding and prior to entering into a successor agreement containing the same provision for organizational security. - 16.12 The Association will defend, indemnify and hold harmless the City of Riverside from any loss, liability or cause of action arising out of the operation of this article.

ARTICLE 18: PROVISIONS OF LAW

- 18.1 It is understood that existing ordinances, resolution and written policies of the City cover matters pertaining to employer-employee relations including, but not limited to, salaries, wages, benefits, hours and other terms and conditions of employment. The parties hereto agree that nothing in this MOU shall in any manner abridge, restrict or modify the rights and prerogatives of the City and its employees set forth in Article I , Sections 4 and 5, and Article II Section 1 B of Resolution No. 15079, or its successor, if any.
- 18.2 The City and the Association agree that for the term of this Agreement, each party waives its rights and each party agrees that the other party shall not be obligated to meet and confer with respect to any subject or matter pertaining to or covered by this Agreement except as expressly provided for in this Agreement and as to meeting and conferring over the renewal or continuation of this MOU at its expiration date in accordance with said Employer-Employee Relations Resolutions.

City Manager

Number: V-6 Effective Date: 07/02

SUBJECT: EDUCATION REIMBURSEMENT PROGRAM

PURPOSE:

To encourage employees of the City to take educational courses and training programs which shall enhance and broaden the performance of their present duties and prepare them for advancement opportunities.

POLICY:

Efforts shall be made to provide training and educational assistance for all levels in the City, from those requiring a minimum of specialized skills to those requiring higher education preparation. Completion of a training or educational course shall not guarantee promotion or advancement of an employee, but is intended to expand skills and knowledge, thus providing the individual with higher levels of opportunity and performance.

The funds for the Education Reimbursement Program shall be part of the City-wide training funds budgeted by the Human Resources Department/Training Division. Reimbursement may only be received for courses which are job related or lead toward possible advancement in the City.

The Human Resources Director shall be responsible for administering the Education Reimbursement Program and shall have the authority to approve or deny a request for education assistance. Potential benefit of the course to the City, the recommendation of the department, the employee's work performance, length of service, previous educational background, and the amount and types of courses previously taken by the employee may be considered. Approval shall be limited to courses offered by accredited colleges, universities, community colleges, adult education, or vocational programs. Accredited courses offered "on-line" through distance learning are included. Normally, correspondence courses shall not be approved for reimbursement under this program.

Requests shall be reviewed and approved on an ongoing basis. The employee must receive the recommendation of the department head and approval by the Human Resources Director prior to starting a course. In the event of insufficient budgeted funds, approvals shall be tentative, placed on a waiting list, and subject to final approval upon the availability of budgeted funds. The waiting list shall terminate at the end of each fiscal year. Only courses that receive final approval shall be reimbursed. In no event will a course be reimbursed if there are insufficient funds.

When an employee is required by the department to attend a particular course or seminar, normally the expense shall be the responsibility of the respective department and employee.

As a general rule, time spent on approved educational courses should be outside of scheduled working hours and shall not be considered as time worked for the City.

Reimbursement under this program will be up to \$333 per quarter, or \$500 per semester, but will not exceed \$1,000 per fiscal year. It includes the cost of registration, tuition, books and lab fees. Special fees, food/meals, parking and mileage/transportation are not eligible for reimbursement. To receive reimbursement, students must attain a "C" grade or better. Pass/fail or no credit courses are considered to be "C" grade or better.

Employees are responsible for any income tax liability that may incur under this program.

This policy will establish the procedures for obtaining blood or urine from an employee whenever:

1. It is voluntarily provided pursuant to a separate policy or procedure within this manual, or;
2. It is administratively ordered pursuant to a separate policy or procedure within this manual, or;
3. The employee's performance and/or work record provides reasonable articulable suspicion that the employee presently is abusing drugs and/or alcohol as determined via the employee's chain of command and the final concurrence of the Chief of Police or his or her designee, or;
4. The employee exhibits objective symptoms of being under the influence of drugs and/or alcohol.

B. SAMPLE REQUEST:

The employee will be requested to voluntarily provide up to two (2) samples of his or her blood or urine except when there is reasonable suspicion that the employee presently is abusing drugs or alcohol. In that circumstance the employee shall provide both blood and urine samples.

C. REFUSAL:

1. If the request is refused, and no probable cause exists to seize the samples for criminal evidence, the employee will be administratively ordered to provide up to two (2) samples of his or her blood and/or urine. The sample may then only be utilized in an administrative action.

D. DISCIPLINARY ACTIONS:

1. The Department may take disciplinary action up to and including termination against any employee who:
 - a. refuses to be tested when so required;
 - b. attempts to adulterate or substitute any sample, or interferes with the required accurate testing of any sample;
 - c. fails to provide a sample within a reasonable period of time, usually not more than three hours;
 - d. refuses to provide the samples in the manner specified by the sample collection procedure;

- e. tests positive for drugs in an amount that meets or exceeds the cutoff or therapeutic level;
- f. tests positive for alcohol in an amount that meets or exceeds the cutoff level;
- g. tests positive for any combination of drugs and/or alcohol in an amount that, based on competent medical evidence, would impair performance;
- h. refuses to cooperate with the Medical Release Officer (MRO).

E. TYPE OF CONTROLLED SUBSTANCES:

- 1. The Department will test for alcohol and/or for any controlled substances or classes of controlled substances as follows:
 - a. Amphetamine/Methamphetamine
 - b. Barbiturates
 - c. Benzodiazepines
 - d. Cocaine
 - e. Ethanol
 - f. Hallucinogenics
 - g. Methadone
 - h. Opiates
 - i. Phencyclidine
 - j. THC (Marijuana)
 - k. Or any other controlled substance listed on the State of California schedule of controlled substances. The determination as to the minimum screening and confirmation cut-off levels of these other controlled substances shall be made by the authorized laboratory.

F. EXCEPTIONS:

Use of medically prescribed drugs pursuant to a prescription for the employee by a competent, licensed physician, dentist or psychiatrist and not exceeding the therapeutic value, or any non-prescribed medication used in accordance with the manufacturer's discretion will not be a violation of policy. The therapeutic value of any prescribed drug or non-prescribed medication will be determined by the City's designated Medical Release Officer (MRO) who shall report the findings as required.

G. MEDICAL RELEASE OFFICER DEFINED:

The Medical Release Officer (MRO) is a licensed physician (Medical Doctor or Doctor of Osteopathy) responsible for receiving laboratory results generated by an employer's drug testing program who has knowledge of substance abuse disorders and has appropriate medical training to interpret and evaluate the employee's positive test result together with the employee's medical history and any other biomedical information.

H. SAMPLE COLLECTION:

1. Blood will be drawn in a place and manner consistent with accepted medical practices unless the employee, for privacy issues, requests that the sample be withdrawn in privacy. In that case, only the requesting officer or supervisor, employee's representative and the phlebotomist will be present. The collection procedure shall ensure that the sample is taken in a secure, sterile manner and sealed with a tamper resistant seal in the presence of the employee.
2. Urine will be collected as follows:
 - a. Because there must be rigorous controls for privacy, security and chain-of-evidence purposes, choosing the most appropriate restroom is crucial.
 - b. The restroom selected as the collection site shall be equipped with a sink to permit the employee to wash his or her hands, a toilet and a stall for privacy. The requesting officer or supervisor may place a bluing agent in the toilet bowl prior to the collection process.
 - c. The employee will wash his or her hands prior to the sample collection and will be provided with a pair of disposable latex or similar gloves for use during the collection. Washing hands and wearing gloves is required when providing the sample.
 - d. During the urine collection process, no unauthorized personnel shall be permitted in the restroom. The only authorized personnel is the subject employee, the requesting officer or supervisor who shall be the same sex, and the employee's representative, if requested.
 - e. The employee shall be required to provide a urine specimen in a large, wide mouthed, easily carried, non-reusable plastic cup, unobserved and in the privacy of a stall or otherwise partitioned area. The cup should be a standard laboratory type with an appropriate area for attachment of evidence tape and specifically provided by the Department for the purpose of substance testing.
 - f. Any behavior which raises suspicion that the employee has adulterated the sample may require that the employee retest in the presence of, and be observed by, the requesting officer or supervisor.
 - g. It will be the responsibility of the laboratory to split the sample if it is requested by either the Department or employee. The employee may provide two samples for testing if so desired.
 - h. A minimum of 30 milliliters (one fluid ounce) must be provided or the sample will be considered incomplete.
 - i. If the sample is insufficient, additional urine will be collected. In this instance, the employee shall remain in the presence of and under the supervision of the requesting officer or supervisor. The employee shall be asked to drink a reasonable amount of fluids to aid in urination and shall be allowed a reasonable amount of time to furnish additional urine. When the additional sample is provided, the bottle shall be labeled and submitted with the original sample bottle.
 - j. If the employee cannot provide a complete sample(30 milliliters or more) within the three (3) hour period, or at any subsequent collection, as applicable, then

the requesting officer or supervisor shall notify the MRO immediately of the situation. The MRO shall refer the employee for a medical evaluation to determine whether the employee's inability to provide a sample is genuine or constitutes a refusal. The MRO shall report his or her findings in writing to the Office of Internal Affairs.

- k. Immediately after collection, the requesting officer or supervisor shall ensure that the urine temperature is warm. If cold, there would be reason to believe the urine has been adulterated since urine expelled from the human body will remain warm for this period of time.
- l. The requesting officer or supervisor shall inspect the samples for signs of adulteration. Any signs of adulteration may require that the employee retest in the presence of, and be observed by, the requesting officer or supervisor.
- m. In the presence of the requesting officer or supervisor, the employee shall secure the sample bottle lids and seal them with self-sealing, tamper resistant tape.
- n. The requesting officer or supervisor shall complete the chain-of-custody forms/envelopes for the samples.
- o. The samples will be secured in a manner consistent with accepted practices for laboratory pick-up, immediately provided to the phlebotomist or laboratory technician, or secured in a locked office for hand delivery to the laboratory personnel. Proper chain of custody techniques will be used through out the process.

I. LABORATORY ANALYSIS:

- 1. The initial screening of all collected samples will generally be conducted within forty-eight (48) hours of receipt by the Department-designated laboratory.
- 2. The designated laboratory shall:
 - a. meet or exceed all analytical, quality assurance and quality control standards which are professionally accepted by laboratories which perform forensic drug or alcohol testing, and;
 - b. participate in accreditation or certification programs conducted by a recognized professional group such as the National Institute of Drug Abuse (NIDA) or the American Society of Crime Laboratory directors/Laboratory Accreditation Board (ASCLD/LAB), or;
 - c. be licensed by the State of California Department of Health Services as a clinical laboratory, forensic laboratory for forensic alcohol analysis or to an equivalent standard if located in another state, and be licensed by the Department of Health and Human Services under the Clinical Laboratory Improvement Act (CLIA).
- 3. The chain of custody from the Department to the laboratory analysis consists of external and internal controls. The external control consists of the preprinted, sealed and completed envelope containing the sample. The envelope transports the sample to the laboratory where it is logged in for screening. Envelopes for this purpose shall be provided by the laboratory to the Department.
- 4. The internal control at the laboratory and the laboratory receipt certification includes

examination that the seal is intact and other examination for tampering.

5. Following accessing the laboratory's computer system, the samples are grouped first for immunoassay (IA) screening into a batch with a set of qualitative standards and quality controls.
6. All initial screening are conducted using a highly sensitive testing methodology based primarily upon a clinically approved immunoassay (IA) technique.

J. ANALYSIS AND DISQUALIFYING LEVELS:

1. The drug screening chemical analysis includes detection and screening cutoff levels for the following substances:

Drug Class	Screening Cutoff Level for> (reported in ng/ml)	Urine	Blood
Amphetamines		100	100
Barbiturates		100	100
Opiates		10	10
Benzodiazepines		100	100
Cocaine		300	300
Phencyclidine		10	10
Cannabinoids		30	30
Volatiles (Alcohol)		0.01%	0.01%

2. All findings are reported in nanograms per milliliter (ng/ml) with the exception of alcohol, which is reported as a percentage of grams per decaliter.

K. CONFIRMATION TESTING:

1. If the sample tests positive for any of the above listed drug classes, the laboratory will immediately conduct further testing using an entirely different methodology on the same sample. This confirmation testing involves the process of gas chromatography/mass spectrophotometry (GC/MS), a highly sophisticated testing methods accepted by the courts.
2. If the tests result in one positive and one negative result, the overall test is considered negative. If both the IA and GC/MS tests are positive, the overall test is considered positive. The positive test samples will be retained frozen pending appeal or retesting.
3. Confirmation testing will be done individually for each drug within the classes listed above, with the following cutoff levels:

Drug Class/Component	Confirmation cutoff Level (GC/MS) in ng/ml (blood/urine)
Amphetamines:	
Amphetamine/Methamphetamine	50

Barbiturates:

Amobarbital, Butabarbital,
Butalbital, Pentobarbital,
Phenobarbital, Secobarbital 10

Opiates:

Codeine, Morphine 1

Benzodiazepines: 1

Cocaine: 5

Benzoylcegonine 10

Phencyclidine: 1

Cannabinoids:

THC-COOH (THCA) 5

Δ^9 THC 0.5 (blood)

Volatiles (Alcohol):

Ethanol* 0.005%

* It is understood that each time a sample containing alcohol is exposed to the air, an approximate .01% decrease in the alcohol/ethanol level will occur due to dissipation; therefore, an original reading of .08% will read .07% upon confirmation. Should an appeal be filed or the sample tested a third time, the alcohol/ethanol level will confirm a positive result at a reading of .06%.

In all cases where the second test confirms the presence of a drug(s) or alcohol in the sample, the sample will be retained by the laboratory in a locked freezer to allow for further testing upon dispute or appeal. The sample will be retained until the final appeal has been concluded.

4. Following analysis, a peer toxicologist and/or administrative personnel reviews the external and internal chain of custodies and controls, the scientific results and certifies the report before it is report to the Department.

L. NOTIFICATION OF RESULTS:

1. Distribution of tests results will be as follows:

- a. All positive alcohol and/or drug test results will be forwarded to and reviewed by the MRO before they are reported to the Office of Internal Affairs.
- b. With all positive alcohol and/or test results, the MRO shall contact the employee to determine if there is a legitimate explanation for the positive test result. The employee shall provide the MRO with the necessary documentation or explanation within five (5) working days. At a minimum, the explanation shall include the type of prescribed or non-prescribed medication, prescribed dosage, name and telephone number of the prescribing physician and last date and time of use.

- c. If the employee refuses to cooperate with any request by the MRO, the MRO shall notify the Office of Internal Affairs. In addition, the MRO will report the positive test results without comment to the Office of Internal Affairs.
- d. Negative test results from either a voluntary or compelled sample will be sent to the Office of Internal Affairs. Positive test results from either a voluntary or compelled sample determined by the MRO to be without a legitimate explanation will be sent to the Office of Internal Affairs.
- e. The Office of Internal Affairs will notify the General Investigations Bureau Commander of the results of a voluntary sample in a criminal investigation. If the results are negative, the General Investigations Bureau Commander will notify the employee in writing as soon as possible.
- f. The Office of Internal Affairs will notify the employee's Division Commander whenever a positive test is received.
- g. The Division Commander shall notify the employee in writing as soon as possible and determine whether the employee should be placed on paid administrative leave or be referred to the City's employee assistance program.
- h. The Division Commander will initiate the appropriate criminal and/or internal investigation and disciplinary process in accordance with the Conduct & Performance Manual.

2. Determination of Test Results:

- a. If the tests indicate the presence of a drug which has been prescribed by a licensed physician, dentist or psychiatrist in good standing and the level is within the therapeutic range for the underlying affliction or condition, and it is determined by the MRO that there was a legitimate medical reason for the use of the drug at the time of the test, the MRO shall report the result as negative to the Office of Internal Affairs without disclosure of the underlying affliction or condition.
- b. If the tests indicate the presence of a non-prescribed medication which is available over the counter, and the level is within the manufacturer's recommended dosage, and it is determined by the MRO that there was a legitimate medical reason for the use of the medication at the time of the test, the MRO shall report the result as negative to the Office of Internal Affairs without disclosure of the underlying affliction or condition.
- c. If the tests indicate the presence of alcohol in an amount consistent with medicinal use as recommended by the manufacturer, and it is determined by the MRO that there was a legitimate reason for the use of the alcohol at the time of the test, the MRO shall report the result as negative to the Office of Internal Affairs.
- d. If the tests indicate the presence of any drug determined by the MRO to be the result of legitimate ingestion of natural food products, and it is determined by the MRO that there was a legitimate reason for the use of the food product at the time of the test, the MRO shall report the result as negative to the Office of Internal Affairs.
- e. If the tests indicate the presence of any controlled substance and it is

determined by the MRO that there was a legitimate and verifiable exposure to the substance in the course of the employee's official duties, the MRO shall report the result as negative to the Office of Internal Affairs.

- f. The MRO, however, shall report the following as a positive test:
 - 1. the employee tests positive for a controlled substance or alcohol for which there is no therapeutic value;
 - 2. the employee tests positive for a prescribed drug above the therapeutic value;
 - 3. the employee tests positive for a non-prescribed drug above a reasonable value;
 - 4. the employee tests positive for a combination of drugs and/or alcohol which although below the therapeutic value would impair performance;
 - 5. the employee tests indicate the presence of any additive, adulteration or cleansing agent.

M. APPEALS:

- 1. Any positive result may be appealed by the employee as follows:
 - a. The employee must file a written request for retesting the sample (and/or comparison testing of the split sample or second sample) in dispute to his or her Division Commander within 15 working days of the positive test notification or prior to any disciplinary hearing (Skelly), whichever comes first.
 - b. The retest order must be accomplished within five (5) working days after the notice of appeal has been approved.
 - c. The employee and his or her representative or attorney must coordinate the retest through the laboratory at the employee's expense. If the employee wants the test to be conducted by another laboratory, that laboratory shall meet the same standards as described in 9. B. In that case, a strict chain of custody procedure shall be agreed upon by both the Department and the employee. In addition, the laboratory shall provide simultaneous notification of the results to the employee and Division Commander authorizing the retest.
 - d. If the results of the retest are negative, the original sample will be considered negative. If the results are positive, there will be no further appeal as to retesting.

N. CONFIDENTIALITY:

- 1. Laboratory reports and/or test results will not be placed into the employee's permanent Department personnel file unless the results lead to the imposition of disciplinary action. Laboratory reports and/or test results will otherwise be maintained in the Office of Internal Affairs and subject to destruction in accordance with the Department's policy of purging peace officer's files.
- 2. Only those supervisory or management personnel who have a valid "need-to-know" will receive alcohol/drug test results. The results of individual tests shall not be released to anyone other than those who have a "need to know" without express written authorization of the tested employee, unless ordered by means of proper legal
