Kristi Darwick, of the southern California Society for Calligraphy, will lead you through writing the italic alphabet. You will take away exemplars and practice sheets which will allow you to either continue to practice on your own, or to decide to take a formal class.

Each participant will be given a calligraphy marker and paper for the exercises, courtesy of your library and the society.

For more information about the Society for Calligraphy, see <http://www.societyforcalligraphy.org/> .
