

FREE EMPLOYMENT WORKSHOP

Riverside City College, in partnership with the Riverside Public Library, presents Career Vision Workshop

Jamie Beck, a former career counselor in the California State University system, will present an Employment Workshop.

The four-hour event is **free and open to the public**. This interactive workshop is for recent graduates to mid-career professionals as well as those who might have been laid off, suffered a downsizing, or returning to the workforce after a period of time. Whether searching for a job for two weeks or two years, this workshop will turn the job-search process from reactive to proactive.

This workshop is supported, in whole or in part, by the U.S. Institute of Museum and Library Services under the provisions of the Library Services and Technology Act, administered in California by the State Librarian.
