

Riverside Public Library  
presents

# ASTRONOMY

## Preparing for the Solar Eclipse

Tom Munnecke, a NASA Solar System Ambassador, will discuss the total solar eclipse occurring on Monday, August 21, including how to view it safely

July 26th, 5:00

SPC. Jesus S. Duran Eastside Library

July 31st, 11:00

Orange Terrace Library

July 31st, 4:00

Main Library

## Eclipse Craft

Want to safely view the eclipse?

Join us to make your own shoebox eclipse viewer craft.

August 4th, 3:30

Arlanza Library

August 7th, 3:00

La Sierra library

## Storytimes

All storytimes, the week of August 14th — August 18th will be “sun” themed!

Please see the monthly calendar of events for storytime dates and times.

\*Free eclipse-viewing glasses will be available at all events while supplies last.

Riverside Public Library has joined the US STAR Library Education Network (STAR\_Net) and its NASA@ My Library initiative, which are providing resources and STEM activities to libraries across the US. This project was made possible through support from the NASA Science Mission Directorate, Gordon and Betty Moore Foundation, Google, and the National Science Foundation.
