

AB 987 Affordable Housing Database

In accordance with AB 987, passed by the California State Legislature, a worksheet describing existing and substantially rehabilitated housing units developed or otherwise associated with Low-and-Moderate-Income Housing Funds, including units counted to meet inclusionary and placement housing obligations, is posted below for public view. Please be aware that this is only a listing of affordable housing that has been associated with Low-and-Moderate Income Housing Funds. This database is not a listing of currently available housing. This database is updated once annually.
