

STATE LAW: AB 341

CALIFORNIA **REQUIRES** BUSINESSES AND
MULTI-FAMILY HOUSING COMPLEXES **TO RECYCLE**

Who Must Arrange for Recycling Services?

- **All businesses** that generate **four (4) or more cubic yards of waste weekly**. The regulatory definition of "business" also includes public entities such as state agencies, schools, school districts, universities, community colleges, special districts, and federal, state, local, regional agencies or facilities.
- Multi-family housing complexes with **five (5) or more units**.

Other Ways to Arrange Recycling Services:

- **Arrange for recycling services** directly through your authorized waste hauler. Use the commercial waste collection page to assist you in finding one.
- Business may donate, sell and/or make other arrangements for **pick up** of the recyclable materials. This includes self-hauling the materials to recycling facilities.

Where to Go for More Information:

- Contact your **waste hauler provider** to schedule a **FREE** consultation. They will help you identify opportunities to reduce, reuse, recycle, and possibly save money.
